## HEALTH FORCE TO BE CUT

Dr. Connell Notifies Nurse that She Will Be Off the Pay Roll.

## LACK OF FUNDS THE REASON

Miss Stevens Has Been Told that Money Was Running Low in the Health Department, Requiring Retirement.

Dismissals among the employees of the health commissioner's office are planned by Dr. P. W. Connell, city health commissioner. Three discharges are being considered, those said to be slated for dismissal being two inspectors—Dan Horrigan and Sam Rothwell—and Miss Nan Stevens, a trained nurse who was added to the force in February.

Miss Stevens stated Tuesday morning that her services would be dispensed with. Dr. Connell told me that the department would not have sufficient funds for the year and for this reason I would be relieved," said she.

Neither Horrigan nor Rothwell would affirm the report that they were to go, but their names are mentioned as the probable ones. Employees of the health department, in the absence of the health commissioners, could not confirm the report.

Bids Are Received for Paving South Thirteenth Street

Park Board Will Arrange to Operate a Swimming Pool at Miller Park.

Bids for paving south Thirteenth street from Vinton street south to the city limits were opened by the board of park commissioners at a special meeting Tuesday morning. Two were submitted, one by E. D. Van court, who asked \$1.38 a square yard for Mohery brick block and the other by Hugh Murphy, who submitted an estimate of \$2.00 a square yard for Purlington brick. Both were referred to the city engineer for tabulation. The estimates will be discussed Wednesday afternoon at another meeting of the board.

Swimming will again be permitted in Miller park lake. On complaint of residents, swimming was stopped about a week ago in the lake, but the members decided to build two dressing rooms and to permit boys to enjoy the sport. A suggestion by Mr. Watson that a bathing house be built at Riverview park was met with disfavor by other members and the project was abandoned.

Miss Horrigan and Rothwell would affirm the report that they were to go, but their names are mentioned as the probable ones. Employees of the health department, in the absence of the health commissioners, could not confirm the report.
