THE U. S. NAVY IS TODAY COMposed of the finest body of picked men in the world. It has no place for the ne er-dowell or the failure. More than 1.00 men apply for positions in the navy each week. Only about 30 per cent of these pase the easmination and are accepted. This shows that the navy picks its men with rigorous care and pains. The navy does not urge any man to enlist. But it does urge both parents and sons to investigate the opportunities the navy offers young men (if to 35), either as a fur years training or as a life's work. The life is hesithful, the work agreeable, environment wholesome and helpful, and the man who wishes to learn a trade will find ample opportunity, as will the man who desires to save money and win premotion and retirement on three-fourths pay. The nearest navy recruiting station is at Postoffice building, Omaha, Neb. The officer in charge will be glad to see parents and sons, and explain everything you wish to know about work, pay, promotion, retirement, recreation, etc. Of send for "The Making of a Man-o-Warsman;" it is free. Address Bureau of Navigation, Box 209, Navy Department, Washington, D. C.*

YOUNG women coming to Omaha as strangers are invited to visit the Young Women's Christian association building at St. Mary's Ave. and 17th St., where they will be directed to suitable boarding places or otherwise assisted. Look for our travelers' aid at the Union station.

DON'T prepare for any civil service examination without seeing our lilustrated catalogue; free. Columbian Correspondence College, Washington, D. C.*
