HOTTEST OF YEAR IN NEW YORK

NEW YORK, July 3.—At 11 o'clock this morning the official thermometer, 30 feet up, registered 91 degrees, with every indication that it would continue climbing.

One death and many prostrations were reported early. In Brooklyn Eugene Cornell, crabs by the heat, ran amuck with an open knife and, after attempting to stab two policemen and several citizens, was shot dead by an officer.

PHILADELPHIA, July 3.—Nine deaths have been reported as a result of the hot spell. A light breeze tempered the heat this afternoon.

BALTIMORE, Md., July 3.—The temperature here reached 95 at noon. One death was reported and one heat crased woman took her own life.

PITTSBURGH, July 3.—During the forenoon four persons dropped dead from a combined stroke and two were drowned in the river while bathing. The thermometer had reached 95 degrees at noon.

BOSTON, July 3.—In the last twenty-four hours, four deaths due to heat and numerous prostrations occurred in this city. At noon it was 92 degrees.

ST. JOSEPH, Mo., July 3.—There were two deaths from heat here last night, following the season's hottest day of 104 degrees.

Philadelphia Continues Warm. PHILADELPHIA, July 3.—That Philadelphia and vicinity are in for another extremely hot day was early indicated by the government weather bureau thermometer which registered 91 degrees at 9 a. m., or nine degrees higher than at the same hour yesterday.

Hottest Night in Kansas City. KANSAS CITY, July 3.—Following the hottest night in Kansas City since the establishment of the weather bureau here twenty-three years ago, the local forecaster predicted no abatement today for the southwest.

At 7 o'clock this morning the temperature was from 5 to 10 degrees higher than normal for that hour throughout the southwest. The maximum in this city at 10 a. m. in St. Joseph, Mo.; 72 at Omaha and 80 at Wichita, Kan.; Springfield, Mo.; Oklahoma City, Little Rock, Ark., and Fort Worth, Tex. There were no indications of rain, the forecaster said, and the probability is that today's temperature would crowd closely the highest of yesterday, which was 104.

Eight Deaths in Chicago. CHICAGO, July 3.—Today was the hottest yet experienced in the city. Eight deaths were reported to the police and there were hundreds of prostrations. At 2 p. m. the temperature was officially registered at 103 degrees at the street level and 99 degrees in the observatory tower.

Two Stricken at Iowa City. IOWA CITY, Ia., July 3.—(Special Telegram.)—The thermometer registered 100 degrees this morning at 11 o'clock. George M. Kenyon, aged 62 years, was stricken with the heat and probably will die. William Nicholson, 67 years old, went insane from the heat and disappeared. It is feared he committed suicide by drowning.

ST. LOUIS, Mo., July 3.—The heat wave continued over eastern Missouri and within Illinois today. Here last night the government thermometer did not fall below 79 and at 7 o'clock this morning registered 82. At 10:30 the temperature was 94 and rising. Police reports say that two men died last night from heat.

NO LICENSE TO CARRY GUN

Attorney General Passes Upon Point in Hunters' Law. NO RULE FOR TURNING IN ROAD

Motorist or Any Vehicle Ahead Need Not Turn Out for One Following—Roads Have Not Been Marked For Danger.

(From a Staff Correspondent.) DES MOINES, July 3.—(Special Telegram.)—The attorney general today rendered a decision that will interest all hunters and persons who have guns in the state.

The attorney general found that this could not be done, and that the mere carrying of a gun was not sufficient, that while it was prima facie evidence of intent to hunt, it was not a sufficient basis for exacting the hunter's license.

The attorney general also decided today that under the Iowa laws there is no rule of the road in regard to the passing of vehicles from behind and that the vehicle ahead need not turn out and give any of the road.

Two Men Killed in Wreck at Camden, N.J.

Express Train for Atlantic City Side Swipes a Local Passenger Train.

PHILADELPHIA, July 3.—Two persons were killed and seventeen others injured when a Pennsylvania express train for Atlantic City sidetracked a local passenger train at Locuston, fifteen miles north of Camden, N. J., today.

Little or no damage was inflicted on the express train, but it had a narrow escape from an awful accident. Its schedule calls for a speed of a mile a minute and it was usually long, being made up of Pullman and steel coaches. Had the impact occurred a fraction of a second later, both trains must have been wrecked with terrible loss of life.

Cotton Crop Will Exceed Record by One Million Bales

Official Estimate Says Reports Indicate a Condition 10.3 Per Cent Above Ten Years' Average.

WASHINGTON, July 3.—Official estimates of the cotton crop report of 1911 indicates that it will be the largest in the history of the country, approximating, according to the present figures, 14,435,000 bales of 500 pounds each, exceeding by almost a million bales the record crop of 1904.

The report shows the condition of the crop to be higher than on any corresponding date in the last ten years. A month ago the general condition was 8.5 per cent above the ten-year average. Today it is 10.3 per cent above the ten-year average.

The average of cotton this year is about 25,000,000. Allowing for the average amount of abandonment—about 1,000,000 acres—the indications are that approximately 34,000,000 acres of cotton will be harvested.
