It was the first of the longer three hits each, all of the locals' hits being sessions under the decision of the senate order to hasten action on the legislative program.

Senator Grenns of North Dakota, an insurgent republican, after a long speech in opposition to the agreement, during which he clashed frequently with advocates of the measure, was forced to give up, almost exhausted, at 5 c'clock this afternoon, and

The informal discussion among senators indicated that the present feeling, doubtless influenced to some extent by the existing hot wave, is that debate may be brought to an end within ten days or a fortnight, and that when the reciprocity bill is passed the democrats will be willing to vote on the wool and free list bills. without any extended debate and adjourn almost immediately. The insurgent republicans are still holding out, however, for other legislation.

All games played in the Mink league on the Fourth were well attended. At Mary-ville there was probably the biggest crewd. About 1,200 people were packed into the park at the afternoon game and about 500 saw the morning game. At Shenandoah there was one of the biggest crowds that ever attended a game. Auburn never had a bigger crowd than was on hand to witness the afternoon game.

Canadian Northern Makes Official

Announcement Route from Pacific

to Atlantic Will Be Finished.

MONTREAL, July 6 .- It was announced

officially today that the Canadian North-

ern railroad has secured financial backing

for the entire route from the Pacific to the

Atlantic. It was also announced that

within thirty months the railroad will enter

Montreal by tunnel and erect a central

station. The presence of Sir William Mac-Kenzie and Sir Donald Mann, together with

Colonel Davidson in this city at the same

time had given rise to much speculation.

CURES OLD

Contagious Blood Poison is responsible for a great many old blood troubles, such as scrofulous affections, skin eruptions, catarrhal troubles, Rheumatism, ulcerating sores, etc. There is no such thing as ridding the system of these effects by killing the poisonous germs. Any medicine powerful enough to accomplish this would also destroy many of the delicate linings and tissues, and wreck the constitution. The only way to for this purpose nothing is equal to S.S. S. It goes into the blood, and drives out every taint and poison, and makes this vital fluid pure, rich and nourishing. S. S. S. has long been known as the greatest of all blood puriflers and many thousands have rid themselves of old blood diseases by its use. It ALWAYS removes the impurity from the blood. Book on the blood and medical advice free to all. S. S. S. is for sale at drug stores.
