

BABY GRAND AT YOUR DOOR

One for First Prize Winner in Ad-Getter Race.

RESULTS OF WEEK ENCOURAGING

Workers Show Substantial Gains in the Total Votes Rolled Up in Contest for Grand Prizes Offered by The Bee.

Wouldn't you like to have a baby grand playing around your door? Certainly you would. So would every one else. The Bee is going to place a baby grand in some Omaha home. The winner of the first prize in the Ad-Getter contest, which is now being conducted by this paper, will be rewarded with one of these excellent instruments. There will be joy and fine music in some home as soon as the contest is over and the prizes are awarded.

There are several other excellent prizes in addition to the piano. These are described in the last paragraph of this article. Workers in the contest have reported progress during the last week. It looks now as though the contest would grow hot during the next few weeks. Every one of the racers has been doing hard work during the last few days. Some have gained a large number of votes. Nearly all have increased their totals by substantial gains, and have, as a result, been encouraged to go ahead this week with a new spirit.

Business men and other people who have been solicited by the Ad-Getter contestants have responded to the calls of the young workers with aid.

Only Paid Ads Count. Every ad is worth one vote. If the ad is run twice it counts as two votes; if run five times it counts as five votes, etc. No entry fee is charged for the contest.

The rate for Bee want ads is 1/2 cents a word if run only once. If run more than once the rate is 1 cent a word. Bring the cash and the want ad to the Want Ad editor and you will be credited with the votes.

List of Prizes. The first prize is a \$100 baby grand Ludwig piano, and may be seen at Heaton Bros' store. Other prizes are: second, \$100 graduation scholarship course in the Omaha Commercial college; third, \$100 graduation scholarship course in the Omaha Commercial college; fourth, ladies' or gentleman's solid gold watch, sold by T. L. Combs; fifth and sixth, ladies' tailored suits, valued at \$50 each, sold by Novelty Skirt company, 216-218 North Sixteenth street; seventh and eighth, two National bicycles, value \$50, sold by the Omaha Bicycle company, Sixteenth and Chicago streets; ninth and tenth, value \$15 each, two full memberships in the Young Women's Christian association; eleventh and twelfth, value \$15 each, two full memberships in the Young Men's Christian association.

Saloon Lids Lifted, Leidy Finds it Out

Superintendent of Anti-Saloon League Files Complaints Against Ralston Men.

Rev. J. M. Leidy, superintendent of the Anti-Saloon league in Nebraska swears out complaints Monday morning against two saloon keepers of Ralston for lifting lids. Deputy Sheriff M. R. Thompson went to Ralston Monday to serve the complaints. Frank Dimke is charged with selling liquor July 7 after 8 p. m. to two of Mr. Leidy's detectives and Anton Besohlvak is charged with selling to the same two men Sunday, July 2.

BRUNING FILES AS REPUBLICAN

Finally Makes Up His Mind as to Which Party to Put After His Name.

Fred Bruning, erstwhile county commissioner now superintendent of the court house, after beating around the political offering in an erratic manner that has puzzled even the wisest of the wise ones about the court house finally sailed into the harbor Monday afternoon, filing on the republican ticket for the nomination of sheriff.

"Republican or not republican," was the question that baffled court house gossip, and apparently Fred himself. At the county treasurer's office, where he paid his filing fee of \$5, the doughy politician gave the impression that he had not decided, even at that late hour, refusing to give his party affiliation. From all appearances the great light must have burst upon him on his way across the street to the county clerk's office; for when he filed out his application there Fred had passed the Rubicon. Some one suggested that he had done so by tossing up a coin.

MARINE EXHIBIT AT LINCOLN

Models of Battleships and Cruisers Will Be Displayed at State Fair Next Fall.

The bureau of navigation has arranged for six model battleships and cruisers to be placed on exhibit at the state fair at Lincoln this fall. Expert gunners also will have charge of an exhibition of explosives such as used in time of war.

HEALTHY MOTHERS

Women who bear children and remain healthy are those who prepare their systems in advance of baby's coming. Unless the mother aids nature in its pre-natal work the crisis finds her system unequal to the demands made upon it, and she is often left with weakened health or chronic ailments. No remedy is so truly a help to nature as Mother's Friend, and no expectant mother should fail to use it. It relieves the pain and discomfort caused by the strain on the ligaments, makes pliant and elastic those fibres and muscles which nature is expanding, prevents numbness of limbs, and soothes the inflammation of breast glands. The system being thus prepared by Mother's Friend dispels the fear that the crisis may not be safely met. Mother's Friend assures a speedy and complete recovery for the mother, and she is left a healthy woman to enjoy the rearing of her child. Mother's Friend is sold at drug stores. Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature. BRADFIELD REGULATOR CO., Adams, Mo.

C. A. Alden to Be the Financial Secretary of Omaha University Will Take Up His Work Here First of August—Is Well Known in Omaha.

Charles A. Alden of Chicago has accepted the position of financial secretary for the University of Omaha and will take up his work actively August 1. Mr. Alden, though having resided in Chicago, has been a member of the Omaha Ad club since last February when he made a notable address before it and placed himself in the high esteem of many leading business men of this city. So when he comes here to live and work he will be no stranger. Mr. Alden was educated for the ministry and preached as a Baptist and Congregationalist, serving one of the large churches of the latter denomination in Boston; but eventually he drifted into educational work and has had signal success on the platform in different capacities. As a public speaker, those who heard him in Omaha in February know of his exceptional powers. Large and impressive in appearance, he is a man of great personal touch. University authorities are being congratulated on their success in securing Mr. Alden for this important work in which he has had experience already.

LID LIFTER FAILS TO APPEAR

Forfeits His Bond, Which Was Signed by His Wife and His Wife's Brother. "Signed bonds are little better than straw bonds" was the comment of a police official in police court Monday morning when Patonia Cillato failed to appear in answer to the charge of petit larceny and selling liquor on Sunday and without a license.

Cillato was arrested Sunday night on complaint of Rudolph Johnson of Arlington, who told the police that while buying beer at the Italian's lodging house on Fifteenth and Cass streets, he was short changed out of \$4. The wife of the prisoner and her brother signed a \$50 bond for the appearance of Cillato, but the man did not show up. Judge Crawford declared the bond forfeited.

"It is too good."

This is what a prominent architect said the other day of The Bee Building "No architect today," he continued, "would dare reproduce The Bee Building. He would not dare reproduce the beautiful architectural lines nor make it so commodious for the tenants because the modern idea is to utilize every square foot of space and cut out every possible expense except for utility."

THE BEE BUILDING

is the standard of office building excellence in Omaha. There are ten offices from which you can select, as follows:

ROOM 302—The most desirable small office in the city of Omaha, located almost directly in front of the elevator on third floor. Has a south front, is 11-5x19-6, making the room convenient to partition into two offices. The rental price, per month ..... \$25.00
