According to the list in the next five months there will be fourteen conventions held in Omaha, six of which will bring delegates from all over the United States.

Stockholders Liable for Company's Debts

Judge Troup Makes Important Ruling in Case of Defunct Railway Company.

Stockholders of the Nebraska Central Railway company, now in the hands of the receiver, are liable for the par value of their holdings, should it be necessary, although the stock was sold them as fully paid up and nonassessable.

Judge Troup held that although the contract with the company that the stock was fully paid up held good as far as the company went, that it did not extend to the creditors of the company.

FAREWELL RECEPTION TO BE GIVEN MISS DORSEY

Head Nurse of the Visiting Nurses is to Leave Sunday for St. Joseph.

Miss Nan Dorsey, who has been head nurse of the visiting nurse association for seven and one-half years and who will leave Sunday for St. Joseph, Mo., to take charge of the district nursing recently established by the Anti-Tuberculosis society there, was given a note of appreciation Wednesday morning at the monthly meeting of the board of directors of the association.

It was agreed that it would be almost impossible to fill Miss Dorsey's place on account of her rare combination of executive ability and sympathy with her patients. Mrs. Adams will continue in charge as superintendent of the work of the association, and Miss Sweeney and Miss Kelly will be the regular nurses.

DUNDEE ADOPTS REFERENDUM

Light Vote is Cast for it at an Election Held in the Village on Tuesday.

The initiative and referendum for village matters was adopted by Dundee Tuesday at a special election in which forty votes were cast. There was very little interest in the election and the vote, 24 to 18, indicated that that use of the referendum was not a very burning question with the villagers.

Short Weight Case Dismissed by Judge

The People's Ice and Coal company effected a neat getaway in the short-weight case brought against it in police court, by having J. Davis, the accused driver, forfeit his bonds of \$10 and giving it out that he had been discharged from their employ.

Judge Crawford dismissed the case at once upon Davis' nonappearance, saying that he had been informed that the company had discharged Davis. The three witnesses to whom the short-weight ice had been sold, live in the Creighton flats at Fifteenth and Douglas streets. They were promised free ice for a week by the company if they would fail to prosecute, according to Press.

A COOLING SHAMPOO FOR SUMMER MONTHS

"Because of profuse perspiration and excessive oiliness of the scalp in summer," writes Mrs. Mae Martyn, in the New York Herald, "many women find the hair difficult to manage. Ordinarily shampoo mixtures fail to remove all dust and oil, and invariably leave the hair stringy and matted. The simplest and best thing with which to cleanse both scalp and hair is plain canthrox. A teaspoonful of canthrox dissolved in a cup of hot water is enough for a good shampoo and a little at a time poured on the head and rubbed briskly creates a white, thick lather, wonderfully cooling and soothing. Rinsing leaves the scalp and hair delightfully clean and the hair dries quickly, taking on a beautiful brilliancy and softness."
