S.S. S. AND BLOOD PURIFIER

. There is one reason above all others which makes S. S. S. the greatest of all tonics, and that is because it is the most perfect of all blood purifiers. Any system which needs a tonic, needs a blood purifier, for it is impure blood which causes the weakened, run-down condition of the body. S.S.S. is made entirely of roots, herbs and barks, which possess not only strengthening properties, but at the same time are recognized as ingredients of the greatest value for removing every impurity, poison or taint from the circulation. S.S.S. improves the appetite and digestion, corrects stomach listurbances and steadily tones and builds the system up to perfect health. It adds to the blood the rich, healthful properties it needs, and in every way benefits the system. S.S. S. cures all diseases and disorders arising from weak or impure blood. Book on the blood and medical advice free. S. S. S. is for sale at drug stores.
