TOPEKA, Kan., July 21 .- (Special Telegram.)-The Kaws and Rourkes had a swattest at the Topeka ball yard today - A perfectly lovely time was enjoyed and the core was 10 to 9 against Omaha. Nearly enough players to make three teams were

inserted into the going.

Buchanan was going good until the fourth when Kane led off with a double. Schoonover singled, Edmiston bobbled Kneaves' grounder, Lynch picked a good one and Robinson sent three across with a double. He and Lynch counted when Edmiston bobbled Agnew's grounder,

In the seventh there was more trouble after Kneaves fanned. Lynch singled, but Robinson popped out. Agnew singled and Niehoff walked and Thomason cleaned up with a triple and Kane sent him home with

Two sharp double plays in the ninth and tenth stopped threatened scores. Lynch got a finger smashed on one of Robinson's bad ones in the seventh and Arbogast finished the inning. Then Agnew caught and Pick

Demott had a hard time right off the reel. In the second Gardner led off with a triple and scooted home on Whitney's single. In the fourth, after two were down, nings. hits by Chapman, Edmiston, Buchanan and Rickert and a walk to Emory scored three i and then Robinson came in. He went along nicely for one session and Emory storted it with a walk. Edmiston came along with bingle, as did Durbin, and then Rickert bunted to Agnew, who wasn't there, and King came along with a single that made three for the session.

WYMORE, Neb., July 21 .- (Special.)-At a regular meeting of the mayor and city soundi last night Mayor Mauck charged that broken pipe had been laid in the Blue Springs to Wymore water main. Engineer Meeker and Inspector Mahaffey, who had the job under supervision, say that this is a mistake, that no broken pipes were put

in. There have been four breaks in the

in a main of that length-over a mile. The costs of repairing the breaks has been less than \$100. At last night's meeting no decision was reached as to who shall be held responsible for the bad pipe and who shall pay for the repairs. The new electric pumps were run yesterday and the standpipe in this city was filled to overflowing twice, so no more breaks are anticipated. Engineer Meeker filed plans for trunk line and outlet for sewer. Under the plans the whole city can be drained through one pipe discharging into the Blue river below mates the cost will not exceed \$16,500. No action will be taken in this matter until the sentiment of the public is sounded.

Edwin James has filed notice of appeal from the action of the city in condemning his land, on which the city's new wells and pumps are located. A board of appraisers awarded Mr. James a total of \$800 for four and one-half acres of pasture land. Mr. James had previously refused \$1,750 offered by the city. He proposes to fight the city in court.
