LINCOLN, July M .- (Special Telegram.)-Although the Rourkes hit just as well as the locals and their bobbles did not interinto the score, Lificoln won by the score of 3 to 1 this afternoon on bunched hits

After going down in rotation in the first, the Lopes took advantage of Hall's weakening in the second inning and scored his of their runs. McCormick, first up, hit the ball over the right field fence for a homer. Thomas singled to center and was sacrificed to second by Gagnier, Cockman walked and both men were safe on a double steal. Thomas' pretty slide eluding

McGraw siapped the ball to Niehoff, who heaved to the plate to cut off the run. Thomas sig-zagged up and down bases in order to allow Cockman to reach third and McGraw second. He dodged around while the whole Omaha team ran up and got into the play. On a wild toss, he dashed back to third, but Cockman was there and again he sig-zagged between bases when Thomas stid back to third safely.

Wolverton was the next man up and his not slash went post Niehoff to right center while Thomas and Cockman scored. Cole popped to Kneaves and a beautiful stop by Pick of Cobb's grounder ended the in-

Kane drove out what should have been a hit but Gagnier made a one-hand catch of it while running full speed for the fence. Cole came half in and picked Schoonover's fly from off his shoe strings. Kneaves' hit in the seventh got him nothing as he died on first. In the eighth. Pick fanned and Niehoff singled to right. Thomason lifted a Texas leaguer which Gagnier was unable to reach but a beautiful stop doubled Thomason at second, Niehoff taking third. Schoonover's foul to McGraw made the third out. Pick's fieldng at third and Kane's work at first featured Omaha's playing.

The Rourke third baseman, whose bac leg finally worked into shape to permit him to return to the game, took them on all sides of him. He came to the plate on sacrifices and in all handled seven chances

In the sixth inning Kane made three wonderful catches in success on wild throws by Hall, Pick and Kneaves. Gagnier's great playing at short and Cole's states that four of the Omaha players are catch of Schoonover's fly featured the on the hospital list and are not fit to be

The cause of all skin diseases can be traced to some humor in the blood, and therefore the cure of any skin trouble can come only through a thorough cleansing of this vital fluid. Salves, washes, lotions, etc., relieve some of the itching and discomfort, help to reduce inflammation, or aid in keeping the cuticle clean, but such treatment does not reach the blood, and of course can have no real curative effect. S. S. S. cures Skin Diseases of every kind because it purifies the blood. It is an internal remedy for an internal trouble, and works on the only reasonable and certain method of cure. S.S.S. removes all acids and humors from the circulation and leaves the blood stream rich, healthy and nourishing in order that it may supply the cuticle with the necessary properties to restore it to its smooth, normal condition. Book on Skin Diseases and medical advice free, S. S. S. is sold at drug stores.
