DEMOTT HOLDS LINCOLN DOWN

Pitcher for Omaha Has Antelopes Clearly at His Mercy.

TWO RUNS OFF HIM IN FIRST

Hit, Two Passes, Sacrifice and Error Give Lincoln Only Scores and After that Omaha Has it Own Way.

LINCOLN, Neb., July 26.—(Special Telegram.)—Demott pitched air tight ball today and should have scored a shutout but for errors behind him. Omaha won, 3 to 2.

Rourke's twirler allowed but six hits, well scattered throughout, while Omaha got to Fox for eight hits, three in one inning, giving he Rourkes two runs and the game.

The Lopes scored twice in the opening round when after Cole and Cobb had been retired, Dundon walked, stole second and then Demott issued his second pass. On an attempted steal at second, Arbogast threw to third to catch Dundon and the ball went into right field, both runners scoring.

Omaha took one in the third when Moore hit safely to the infield, Niehoff pushed him to second on a sacrifice and Schoonover singled, scoring Moore. In the sixth Schoonover opened with a double, Pick socrificed and Kneaves singled, scoring Schoonover. DeMott singled after Arbogast had fanned, scoring Kneaves.

There was nothing doing the remainder of the game, although with one down in the eighth, Cole hit to deep left for three bases and Cobb lifted a Texas leaguer just over second with the infield drawn in. Racing at full speed Thomason made a beautiful catch from off his shoestrings and Dundon, the third out, lifted a popup to Moore.

Both sides had men on bases during the remainder of the game but tight pitching held down the score.

Moore played a pretty game in the infield while Thomason and Schoonover completed sensational catches in the outer gardens. Lincoln played a steady game in the field. Score:

BURLINGTON FLYER STOPPED TO LET WOMAN CATCH PIG

She Rushes on Track and Fails to Hear Approaching Train, So Brakes Are Set.

BROKEN BOW, Neb., July 25.—(Special.)—It isn't very often that the Burlington's fast passenger trains are halted in the country, but a few days ago No. 43 was stopped east of Broken Bow to allow a woman to catch a pig.

As the train rounded a curve the engineer saw a woman dash onto the track in pursuit of a hog which was headed down the track. The woman was so taken up with the chase that she did not see or hear the approaching train, and emergency breaks were set and the train stopped until the woman secured her pig.

S.S.S. CURES RHEUMATISM

The usual cause of Rheumatism is an excess of uric acid in the blood which weakens and acidifies this vital fluid, and prevents the proper amount of nourishment being afforded the muscles, nerves and tendons. The pains and aches of Rheumatism may be temporarily relieved by the use of liniments, hot applications, and other external treatments, but the disease cannot be permanently benefited by such measures and is bound to become chronic and dangerous if such things are depended upon alone. S. S. S. cures Rheumatism in the only way it is possible to cure the disease. It goes down into the blood, and removes the uric acid from the circulation. When S. S. S. has cleansed and purified the blood the pains and aches cease, all inflammation disappears, and every symptom of Rheumatism passes away. Book on Rheumatism and medical advice free. S. S. S. is for sale at drug stores.
