ANOTHER PUGILIST DROPS IN General Deft, Challenging

Buckles Especially.

A husky young cyclone struck Omaha yesterday and although he did not accomplish much damage, it was only because of the absence from the city of several of Omaha's 162-pound pugs.

"Kid" Condon, the Pennsylvania cyclone, dropped in on the sporting editor of The Bee last night and huried a defi at Guy Buckles or Billie Narrick, for money, marbles or chalk. Condon weighs about 162, and if outer appearances go for anything, should be able to give Guy or Billie a tough jaunt for their coin. He may be found in care of general delivery, if addressed as A. W. Condon, Omaha, Neb.
