Mr. Underwood said the tariff on iron and steel needed further revision and would get it; that when the ways and tileans committee organized, he told the committee that as everyhing he had was invested in the Iron industry it would relieve him of embarrassment if it undertook iron and steel revision first.

"That Interview," continued Mr. Underwood, referring to Bryan, "charges that there is a difference between the speaker of this house and myself as to legislation in this house. That statement is absolutely false. We have been together, we are together now, and I presiet that we will be together to the end."

Kitchen Corroborates Underwood. Representative Kitchen of North Carelina, also referred to in the Bryan interview, corroborated Mr. Underwood, Mr. Kitchen declared that statement made lacked truth; that Mr. Bryan had been misinformed and added that it would redound to Mr. Bryan's credit if he would express a desire to make public his informant, for "not a single democrat in this house could have given him such

"The gentleman who has issued that ective tariff, has led this house into lines that were unworthy of any democrat in the land.

"I know it is false, Mr. Speaker. You know it is false and so do the democrats of this side of the house. But we must let the country know it is false. The gentleman from Nebruska says that my leadership of this side of the house could not stand in the open. There is not a democratic member here that does not know that if for one moment I misrepresented the democracy of this house in bearing my commission I should send my resignation to the speaker's desk:

Why Steel Schedule Was Delayed 'The reason why the ways and means committee did not take up the iron and steel schedule was that the country was demanding a revision of the textile schedules-schedule K in relation to wool and manufactures of wool, bearing an average duty of 20 per cent, had not been revised

"Schedule I, the cotton schedule, bore a duty of 53 per cent, covering all cotton goods, and was proportionately equally high. The iron and steel schedule had been cut by the Wilson bill, cut by the Dingley bill, cut again by the Payne bill. and although it needs, and will have further revision, the committee in its wisdom, not myself, decided that it was wiser to consider these other schedules first.

CASE DISMISSED TWICE FOR ERRORS IN PAPERS

Elevator Conductor Then Has His Opponent Placed Under Bonds to Keep the Peace.

Justice Eastman dismissed the case of Albin made an agreement interest in a lot in South Omaha for Hall's organic heart trouble." Mr. Perry was born June "Cupid" issued 273 licenses.

Hall refused to give up the plano after the contract was made and Albin had the piano replevined. The case came up in Judge Eastman's court last Friday, but it was found that the papers in the case had been improperly made out and the case was dismissed.

The plaintiff immediately filed new papers and sent a constable to replevin the plane. When the constable went to the house where the plane had been stered he found that it had been taken away.

The case was brought up in Judge Eastman's court Tuesday and was again dismissed on the grounds that the papers in the case were improperly made out. Hall became very anary at Albin becam he had the plane replevened and threatened to give him a very good trouneing. Albin, fearing he might carry out his threat, had Hall put under a peace bond.

INSTITUTE MUST VACATE BUILDING NOW OCCUPIED

Writ of Ouston is Granted to th Owner, Samuel Maplus, by Jun. tice Altstudt.

Suit was brought against the Interne tional Christian Institute Wednesday morning in Judge Altstadt's court by Samuel Kaplan, wholesale hatter of Omeha, for breach of contract. The institute, of which A. W. Clark is president, leased the building at 1221 Douglas street from Kaplan in 1908 for five years. At the time a contract was drawn up between the two parties stating that the institute was to expend \$1,560 in interior improvements while they were occupying it, and they were to pay a monthly rent of \$129 which was to be path month in advance. At the expiration of The ways and means committee at a the lease all the improvements made on appeals meeting easied by Chairman Under the building were to go to Kapian and he would refund the \$1,500 spent in improvements on the building. Last month the tithout a conference. The indications institute gave Kaplan a check on the first however, that such a plan would not for the rent, but at the time they had no be agreed to on the house side. Demand of mayor that the strikebreaker shall be disarmed. Tender of good offices to both sides by mayor and council and state labor con

Conference of Mayor Hanna with Manager Harrigan in the afternoon. Letter of street car men to Harrigan sking for arbitration in accordance with erms of the contract with the union. Refusal of Harrigan at 5 o'clock to re in motor beats and skiffs, rushed to the open the case or discuss it with city offi-

> cials or others. During the entire day Manager Harrigan maintained the position that he had nothing to arbitrate and that he is prepared for a strike . After the city council and the workingmen had begged him to indicate ome way out of the difficulty he distated a letter which stated he would not arbitrate anything. This left the matter of ordering a strike in the bands of the execu-

tive committee of the union It was said tonight that the labor leaders do not plan immediately to strike, but to call a mass convention and lay the matter before the public first. President Urick of the State Federation of Labor in a state ment today accused the management deliberately of planning for breaking up the union in order to affect the status of the car company's franchise. He also indicated that the men would not strike until forced to do so, but would insist upon arbitration. Many men sucking work if the street car men should go on strike appeared at the street car offices this afternoon. Harrigan announced that in the event of a strike all Des Moines men would be given the first places vacant. In case of a strike the car company will establish beadquarters at East Twentieth and Grand, the show grounds. The company owns twenty acres of ground there.
