terrible suffering. The crup tion began in pimples which would open and run, making large sores. His hair came out and finger nails fell off, and the sores were over the entire body, causing little or no sleep for baby or myself. Great scabs would come off when I removed his shirt. "We tried a great many

remedies, but nothing would help him, till a friend induced me to try the Cuticura Soap and Ointment. I used the Cuticura Soap and Oint-凶 ment but a short time before

I could see that he was imtime he was entirely cured. He had suffered about six weeks before we tried the Cutleura Soap and Ointment although we had tried several other things, and doctors too. I think the Cuticura Remedies will do all that is claimed for them, and a great deal more." Signed) Mrs. Noble Tubman, Dodson, Mont., Jan. 28, 1911
