STRIKE RIOTS IN  
LONDON STREETS

Collisions Between Police and Idle  
Dockmen and Carters Are Sharp  
and Frequent.

THIRTY THOUSAND MORE MEN OUT  
Women and Men in Fight to Prevent  
Movements of Food.

FAMINE CONDITIONS PREVAIL  
Fresh Meats Advance Sharply and  
Thousands of Tons of Fruit Spoil.

SETTLEMENT SEEMS PROBABLE  
Board of Trade Hopes to Bring About  
Agreement Between Employers and  
Employees Before End of the  
Week.

LONDON, Aug. 9.—Increasing disorders  
and progress toward peace were the  
contrary features of the dock strike today.  
The men of dockland who are already feasting  
on the pinch of deprivation, have adopted  
drastic measures to prevent any attempt  
by non-strikers or clerical staffs to move  
a wheel, and collisions with the police  
were frequent and sharp.

The Board of Trade is composing the  
difficulties of employers and employees and  
some sectional disputes have now been  
settled, with every prospect that the demands  
of other sections will be satisfied before the  
end of the week. This latter condition  
is the only one on which the men will call  
off the strike.

Meanwhile London was practically without  
vans today. Thirty thousand carters  
quit work today and thousands more  
planned to join the idle ones before night.  
The strikers had frequent fights with the  
police. Women joined the men in preventing  
a replenishing of the markets with provisions.

The fish porters have joined the strike  
movement. The wholesale prices of chilled  
beef have advanced 7 to 10 cents a pound  
since last Friday. The manager of one of  
the largest houses importing American beef  
said that unless the strikers settled by to-  
morrow there will be the greatest beef  
famine this country has ever known.

Tons of Fruit Rotting.  
Tons of California pears, Tasmanian apples  
and French fruits are rotting in their  
crates and casks in almost every street  
out of doors. Practically no business was  
done on the Corn exchange.

Benjamin Tillet, secretary of the Dock,  
Wharf, Riverside and General Workers'  
Union of Great Britain, announced today  
that orders had been issued calling out  
every man of the union to a meeting at  
midnight which will increase the number of strikers  
to 100,000.

Tonight the Combined Millers' association  
of London telegraphed the home secretary  
asking for military protection against  
the striking dockmen. A broad family  
within the three days is certain if  
present conditions prevail.

Big Stories to Girl  
Cause Arrest as Spy

Coast Artillery Private Tells Sweet-  
heart He is Counting on Getting  
Great Government Secret.

NEW YORK, Aug. 9.—George Petr, the  
coast artillery private at Fort Totten, who  
was said to have been arrested by his  
flameless girl, declares he is neither a spy  
nor an Austrian agent, which title he is  
said to have claimed in pressing his suit  
upon Miss Clara Anita Dyer. According to  
a published statement by the girl, Petr  
declared he adopted the title of "Count  
Wild Great" to impress Miss Dyer, and  
told her he was in a subordinate position  
in the American army because he was trying  
to get a great government secret.  
Later he went to Lexington, Ky., where he  
found that Miss Dyer's parents were op-  
posed to his suit. Realizing his blunder  
he broke off the engagement.

victed of Murder.

TOULON, France, Aug. 9.—Upon the  
order of their superiors 4,000 men from the  
French fleet and garrison today witnessed  
the execution of two seamen named  
Gueguen and Le Marechal. The men were  
convicted by court-martial of having mur-  
dered a comrade named Carrel in order  
to rob him of 5 cents.

to Put Inquiry Into Hands of  
Special Committee of Five.

WASHINGTON, Aug. 9.—Representative  
Humphrey of Washington presented to the  
house today a resolution asking to have  
the house committee on interior depart-  
ment expenditures discharged from further  
consideration of the Controller Bay in-  
vestigation and to have the matter put into  
the hands of a select committee of five  
members of the house.

OSNABRUECK, Aug. 8.—Prince Henry  
of Prussia was in another automobile ac-  
cident today, but escaped unharmed. He  
was returning from Holland, when his  
car swerved from the roadway and crashed  
into a tree near Kloppenburg, twenty miles  
southwest of Oldenburg. The prince's com-  
panion, Adjutant von Usedom, was slightly  
injured and the chauffeur's skull was frac-  
tured.

CHAS. W. PERKINS—CHICAGO

Mr. McCabe Admits  
Changing Text of  
Court Decision

When Finding in Missouri Pure Food  
Case Was Published Benzoate of  
Soda Was Left Out.

WASHINGTON, Aug. 9.—Charges across  
the table that technical questions were  
raised to keep back evidence in the  
investigation of the Dr. Wiley case created  
excitement in the house committee on ex-  
penditures in the Agricultural depart-  
ment today during the further hearing of Soli-  
citor McCabe of that department.

Solicitor McCabe admitted to the com-  
mittee that in officially publishing for the  
Department of Agriculture a court decision  
in a Missouri pure food case he had  
changed several words in the judgment of  
the court. The change eliminated benzoate  
of soda from the decree holding certain  
substances deleterious.

Solicitor McCabe admitted today that  
William H. Harvey, a coffee expert, is em-  
ployed in the bureau of chemistry under  
terms exactly similar to those in the case  
of Dr. Rusby, which McCabe refused to  
sanction and which brought about the  
charges against Dr. Wiley. McCabe in-  
sisted there was a difference in that Har-  
vey was the only coffee expert the depart-  
ment could employ.

Holstlaw Regarded  
Lorimer and Jack Pot  
Bribes as Gifts

State Senator Says He Did Not Tell  
His Friends About It Because He  
Did Not Consider Amount Large.

WASHINGTON, Aug. 9.—The senate  
Lorimer committee today adjourned its  
hearings in Washington to resume probably  
early in October in Chicago at the call of  
Chairman Dillingham. Attorney Healy of  
the committee announced that the list of  
witnesses summoned had been exhausted.  
"And everybody else," he added.  
The last session of the committee was  
occupied with the formal cross-examina-  
tion of former State Senator Holstlaw of  
Illinois who claims he received \$2,500 for  
voting for Lorimer.  
"You said you considered the \$2,500 and  
\$700 you received from John Broderick as  
gifts," asked Senator Kenyon of Iowa.  
"Yes, sir."  
"You didn't care particularly where it  
came from?" asked Chairman Dillingham.  
"No."  
"If you considered it a gift, why didn't  
you tell your friends that some one thought  
so much of you as to make you a large  
present?"  
"I didn't consider it much."

Two Alleged Electric  
Promoters Arrested

Inspectors Say Men with Scheme for  
Making Electricity From Sun's Rays  
Get Current From Nearby Plant.

NEW YORK, Aug. 9.—George A. Cove,  
president of the Southern Electric Gen-  
erator company, incorporated in Arizona for  
\$5,000,000, and Elmer Ellsworth Burtin-  
gams, stock selling agent, were arrested today  
by United States marshals and held for  
examination on October 10, Burtin-  
gams on \$5,000 bonds and Cove in \$5,000. They  
were charged with using the mails to defraud.  
Postoffice inspectors declare that the  
company claimed to have perfected an in-  
vention for the generation of electricity  
from sun rays, but investigation proved  
that the power at the company's plant  
really came from commercial companies  
supplying electricity.

WASHINGTON, Aug. 9.—George W. Per-

questions about campaign contributions and  
thus will escape citation for contempt be-  
fore the bar of the house or representatives  
by the Stanley steel trust committee of

The committee determined in a turbulent  
executive session today, not to press ques-  
tions relating to Mr. Perkins' personal  
campaign contributions. The matter of in-  
quiry into the campaign contributions of the  
New York Life Insurance company and the  
United States Steel corporation, it was  
said, was left in abeyance. A further ex-

"Even should any other questions regard-
