Told by the Troubled Tourist

This is about the time when the touring excationer begins to come back," remarked Troubled Tourist, "and to come back somore ways than one."

He's so giad to strike home again be hardly conceal his joy, though he midly exhibits a coat of tan two inches his, acquired by patiently lying on his back on the beach for hours at a stretch, and he affects to be excensively oppressed by the stuffy air of the city after the wild, free life he's been living.

"He has probably been living that wild free life for as much as ten days, and t of it has been spent in a farm house onewhere in the foothills, but to hear him tell it, he has been sojourning a month in asmountain lodge with wealthy friends, or been living in a leased villa at the sea-

Underneath the rich cost of tan you see he's thinner, but he'll tell you he has been living off the fat of the land with such dishes as you only dream of when Pou're in town.

What he really means is he slept like sengers on the slats. a horse, for he has probably been reposing "He comes back with a white finnnel suit oebs in it than husk.
