OMAHA LOSES CLOSE BATTLE

During Eight Innings Pueblo Made Rourkes Hunt for the Ball.

COLTS TAKE SPURT IN NINTH

Home Team Makes Two Costly Errors in First Inning, Sending Two of Visiting Members Across Home Plate.

Omaha's inability to hit at opportune times lost the second battle of the series with Pueblo. Both Robinson and Fabir, Rourke and Pueblo twirlers, were in fine form and waged a flerce battle. The Orphans, however, tolk a lead in the first and won the game, 4 to 3.

For eight innings Fabir kept the Rourkes hunting for the ball. Only three hits were Superior speared off his delivery in the eight innings, but in the ninth he was flund for a triple, gave a pass and then found for a homer, which brought the score up to Kearney York within one of the Pueblo score.

Omaha made a try to deadlock or pass the opponents' score. Kane pushed a high one to Schmid, who made an easy catch of it. Williams, the big Rourke left fielder, drew three balls and two strikes and then anded on the horsehide for three bags. Schoonover sent his ball far out to center and Williams scored on the sacrifice fly. It was at this time that Arbogast began to do a little figuring. Pick was sent in to bat for Kneaves, who had falled to connect during the game. Pick waited and then was sent to first. Demott, the hardhitting pitcher, was next sent out to the He ignored the first ball, but he pushed the second to right field, where it bounded out of Craig's reach and rolled under the right garden fence, netting Demott a home run.

By this time the fans were volue wild Agnew was chosen to save the day and went in for Robinson. He bit at three wide one and the game finished with the Pueblo bunch one run to the good. In the first in ning we errors were made by the Rourkes, which sent two Pueblo men across the pan. Dospite the fact that the Orphans led all the way the Rourkes refused to quit. They exhibited more ginger than has been shown in the last five games.

Pueblo played equally as good as on the first day and Craig held down right field just as well as the mighty "Lefty" Pavis, at who broke his leg the day previous. Schmid, ordinarily a second baseman, was sent in to fill Craig's place at Center. He had but one chance, but got away with that in good fashion

—Fremont took the second game of the series by opportune hitting. Holmberg started on the mound for the visitors, but was pulled in the sixth and Kiddoo Smith took up the work and held York to two hits and one run. This is the second game he has saved from Fremont in the series. The batting of Turpin was a feature, he getting a home run, two-bagger and a single out of four times up. Bennett was a buay man, accepting difficult chances. Score:

It was a great match when Walter Fair banks of Denver and J. B. Rahm of Omaha met in the first round of the championship. Both are of the older body of golfers, but both are mighty good players. Erwin, Brooklyn's catcher, was the first and only man to make a hit and in fact the only one to get on first. The visitors bunched their hits and won. In trying to touch out Lobert at the plate in the first inning Bresnaham was badly spiked on the right wrist, and he will probably be out of the game for two weeks. The 3-year-old troe day not mississippl tournament, as generally the mississippi tournament, as generally the high score in the championship round is not nearly as good as this. It shows the class of playing that is being done in the tournament and means some big matches and some low scores when the players really get into their form.

The cause of all skin diseases can be traced to some humor in the blood, and therefore the cure of any skin trouble can come only through a thorough cleansing of this vital fluid. Salves, washes, lotions, etc., relieve some of the itching and discomfort, help to reduce inflammation, or aid in keeping the cuticle clean, but such treatment does not reach the blood, and of course can have no real curative effect. S. S. S. cures Skin Diseases of every kind because it purifies the blood. It is an internal remedy for an internal trouble, and works on the only reasonable and certain method of cure. S.S.S. removes all acids and humors from the circulation and leaves the blood stream rich, healthy and nourishing in order that it may supply the cuticle with the necessary properties to restore it to its smooth, normal condition.
