

## THIRTY-NINE LIVE FLOATS

Three More Signed Up for Manufacturers' Ak-Sar-Ben Parade.

## INDUSTRIES OF THE CITY SHOWN

Monster Parade is Expected to Show Visitors What Omaha is Doing in the Way of Manufacturing of All Sorts.

With each successive meeting of the Manufacturers' association, that part of the manufacturers' parade on October 3 assumes a greater degree of certainty. At the meeting Friday noon three more Omaha business men agreed to furnish some kind of a live float, and with these three the total number of floats now pledged is thirty-nine. The latest to offer assistance are The Bjornson Sheet Metal works, Omaha Structural Steel works and Schmoller & Mueller. The other firms who have previously agreed to help are as follows:

**Entries to Date.**  
Baker Ice Machine company, Ideal Cement Stone company, Acme Box company, Baker Bros. Engraving company, Alfred Bloom Co., J. F. Bloom & Co., Byrne & Hammer Dry Goods company, David Cole Creamery company, Cudahy Packing company, L. G. Doup, Eggert-O'Flynn company, Farrell & Co., Haskins Bros. & Co., Hydraulic Press Brick company, Iken Biscuit company, Krug Brewing company, Loose-Wiles Biscuit company, McCord-Brady company, Marks Bros. Sash company, Midland Glass and Paint company, D. J. O'Brien Co., Omaha Box company, Omaha Packing company, Omaha Printing company, F. D. Farmer company, Paxton & Vierling Iron works, Richardson Drug company, Scott Tent and Awning company, Skinner Manufacturing company, Smith Brick company, M. E. Smith & Co., Standard Stock Food company, T. F. Stroud & Co., Western Tinware Manufacturing company, Western Umbrella company.

A committee, composed of A. J. Vierling, O. C. Scott and J. F. Smith, was appointed to attend to all of the details of arranging for the parade from now on, and this committee will start its work next week. Mr. Vierling was appointed to serve on the committee to investigate the problem of workmen's compensation, to recommend some action at the coming session of the legislature. This appointment was made as a result of a letter from Governor Aldrich, requesting that the manufacturers' committee of the Commercial club name a member to serve.

## Thinning Ranks Are Moving Toward East

Members of Grand Army of Republic Are on Way to Convention at Rochester.

The movement of Grand Army of the Republic members through Omaha to the annual encampment promises to be the lightest in years. It is figured that this is due to two causes: the first and principal one being that the veterans ranks are thinning; even the youngest of them are not able physically to stand the journey and the week in camp. The second reason is that this year the encampment is held in Rochester, N. Y., and to reach there members from even this locality must travel at least 2,000 miles.

This year the Colorado and Wyoming delegation will consist of about 100 men, who will arrive in Omaha Saturday afternoon at 4:30 o'clock over the Union Pacific and at 8 o'clock, over the Milwaukee, will leave for the east.

Saturday evening at 6:30 o'clock, the Burlington will carry the Nebraska delegation, the department commander and staff, the Ladies of the Grand Army of the Republic and the members of the Women's Relief corps. The party will occupy three sleepers.

This year the delegation from Washington to the national encampment will consist of one lone member.

It was expected that California would send a large delegation and it was even reported that a special train would carry the veterans, their purpose in a measure being to boost for the Pan-American exposition to be held in San Francisco in 1915. Indications are that the idea has been dropped, as no advice has been received as to the movement of any special train. The southern portion of California has sent one delegate, who is now enroute over the Santa Fe road.

## Health Officer Tells How to Fight Fleas

Many Inquiries Are Being Made to the Office of the Health Department.

Omaha's public health guardians have fought a good many epidemics, but they are up against it this summer on the flea question. Thomas Harrington, who sits in the health office and tells people when they ask how to exterminate all the various and variegated vermin that afflict housewives, has been frequently asked of late questions like these:

"Say—what—how do you get rid of small insects—fleas, you know. We haven't got them in our house, but we have a very dear friend who has them, and we want to help her out."

Harrington solves the problem by suggesting a few disinfectants that are sure to kill, and the housewife proceeds to exterminate her "dear friend's" little pests. Some amateur scientists have ventured the opinion that the locusts have been responsible this year for the flea invasion.

## TRAVELERS GATHER AT BEACH

Members of the Omaha Lodge and Their Families to Have Annual Picnic Saturday.

Omaha lodge of the Traveler's Protective association will have its annual picnic Saturday at Courtland beach. The knights of the grip have been wont in past years to assemble at Manawa, but the committee, failing to find a sign of water at either place, decided on Courtland for this year's revel.

The entire afternoon is to be given over to the picnic and the feature event is a basket lunch at 6 o'clock and coffee will be ladled out free of charge by the committee.

There are to be races, hoop rolling contests, guessing contests, ball throwing contests and about twenty-five more varieties of contests with a first, second and third prize for each. It is solemnly promised that there will be no speech making.

This committee is in charge: N. E. Brown, chairman; Hugo Melchior, George Lavigne, E. E. Kiplinger, M. N. Woodward, A. W. Miller.

## Major H. C. Hale Will Get Promotion Soon

Adjutant General of Department of Missouri Banks High and is in Line for Lieutenant Colonelcy.

Major Harry C. Hale, who is to be relieved on September 2 as adjutant general of the department of the Missouri, has been granted a leave of absence of three months and twenty days, with permission to go beyond the sea.

Major Hale is under orders to report for duty with the Third Infantry in the Philippine Islands, but the granting of this leave means that he will probably not see service there. Major Hale stands very close to the head of the list of majors, and it is an open secret among local military men that his promotion to a lieutenant colonelcy, bringing with it a new assignment, is practically certain before the expiration of his leave.

## HOTEL MEN IN TWO WRECKS

Reports Show, However, that None of the Omaha Men Is Injured in the Crash.

That the Omaha delegation which has been in attendance at the annual convention of the Northwestern Association of Hotel Men at Grand Forks were in two wrecks Friday morning is the information conveyed in a telegram received here Friday afternoon by T. J. O'Brien of the Henshaw from Joe H. Keenan, also of that hotelery. Mr. Keenan's telegram states, however, that none of the local party was hurt.

The convention delegates left Grand Forks Thursday night or early Friday morning over the Great Northern, expecting to travel to Duluth and spend the day there Friday. The telegram received here was sent from Remaji, Minn., but it is not known whether or not the wreck occurred at that point.

Solomon asked for wisdom. If he were in business in Omaha he would advertise in The Bee.

## THE BEE BUILDING

Everything has been and is being done to make this fine building thoroughly comfortable for tenants who office here. New elevators with the most modern equipment have been installed, greatly facilitating the transit of hundreds of passengers daily. The magnificent court and lobby have been altered and redecorated, as well as the corridors throughout the building. It has been the aim of the management to keep a high class of tenants in the building and to do that it necessarily follows that the accommodations must be the best.

If you are looking for a permanent office, we invite you to pay us a visit and see for yourself the advantages we offer.

**We list a few offices vacant at the present time:**

**ROOM 646**—A very attractive space on the sixth floor, facing Seventeenth, having in connection a commodious vault which affords space for stationery, valuable papers, etc. This room rents at per month, **\$18.00**

**ROOM 548**—Was especially designed as a suite desirable for lawyers. There are three rooms of good size, having solid tile partitions between all the apartments. The suite is in the southeast corner of the building, looking out on Farnam and Seventeenth streets; is conveniently located to the elevators and all the court rooms of Douglas county, affording every convenience. Per month, **\$60.00**

**ROOM 446**—Directly opposite the new Court House facing Farnam street. Our front offices are much in demand on account of the prominent location. This room is 13½x19½ feet in size, and is subdivided with frame and glass partition, giving two offices in one. Rental price, per month, **\$30.00**

**ROOM 320**—Is a choice corner office having a north and west exposure making this space attractive at any season of the year on account of good light and ventilation. We will arrange this space, 19x20, suitable for tenant, and there being a vault in the room it affords extra protection for valuables. Rental, per month **\$40.00**

## SOMETHING NEW--Just Out

Enameled Gas Ranges and Stoves.

Just what the housewife is looking for.

Saves half of the kitchen work. Dust or dirt will not adhere to them. By simply wiping them a few seconds, body, doors, legs and feet, leaves them clean, bright and sparkling, the most beautiful thing in any kitchen. They can be kept that way for all time to come because they are enameled.

The great blessing is that they are the Detroit Ideals, the gas stoves and ranges that have a national reputation. They have patent burners that do make a hotter heat with the same gas, consequently cook quicker. They are the heaviest gas stoves and ranges made, the 18-inch double oven size weighing thirty pounds more than the heaviest of any other make. They are extraordinarily fine bakers because the walls being thicker make a more uniform heat besides taking less gas to keep the oven hot.

We sell any size up to the 16-inch double oven at \$3.00 down and \$3.00 per month. The 18-inch double oven size at \$4.00 down and \$4.00 per month. Ranges at \$5.00 a month or a cut price for cash. If you pay two or more payments down ten per cent will be added to your first payment.
