New Home West

We are building two new houses on 35th St., north of Dodge St., numbers 121 and 125 No. 35th. They have 7 rooms, besides vestibule and attic. The lots are full 50x136 ft., with uniform 5 ft. terrace in the whole block. We think the location and the surroundings are what make this property so desirable. You see it is a new district with no old houses around; and if you like a brisk walk, it is only 20 minutes' walk down town. The houses are open. They must be seen inside to be appreciated. They have the vestibule and hall, beamed ceiling dining room, hot water heat, hood over the kitchen range, pretty fixtures—in fact they are as good as we know how to make them. One is sold to James Forsyth for his home and the other will make a handy home for someone. Let us know yes and tell you all about it.
If you want a larger house, or a brick or stucco house instead of frame, or if you have a favorite design of your own we will build it for you on any of the lots left in this block.
