OMAHA NEXT BATTLEGROUND

Gas Corporation Will Make Case Here the Next in Series of Fights.

DEFENSE AGAINST LOWER RATES

U. G. T. is Seeking in Many Cases a Court Decision that Will Give a Handle to Fight Rate Reductions.

Omaha will be the next battle ground in what is believed to be a nation-wide legal battle in which the United Gas Improvement company is trying to establish in some court a decision that will give it a weapon with which to fight city laws which seek to reduce gas rates.

The fight being made by the United Gas Improvement company of Philadelphia, which is the corporation controlling nearly all the large gas companies in the United States.

Company Wants Large Capitalization. It is, of course, to the advantage of the company to have the investment of its capital increased by the intangible elements of business known as "going values."

pany claims and consequently that the fair return is smaller. The case in Omaha will be pushed by experts who have been employed in other places by the United Gas Improvement company.

City to Have Expert Aid. The city will employ at least two, and possibly more assistants, to get up the estimates of the company's capitalized property.
