OMAHA BUSINESS MEN TAKE HAND

(Continued from First Page.) a strike order. In many instances, it is said that the men have taken the same view of the case as that expressed by the merchants and have stated that no matter what orders they may receive, they will continue to retain the positions they now hold.

To Confer with Kruttschnitt. CHICAGO, Aug. 26.—A conference has been arranged between Vice President Julius Kruttschnitt of the Union Pacific and Southern Pacific railroads and the international presidents of the trade unions involved in the labor dispute of shipmen employed by the Harriman lines to be held at San Francisco Saturday, September 2, at which another effort will be made to avoid the threatened strike of 35,000 railroad workers.

Kansas City Meeting Off. Mr. Kline after communicating with international presidents arranged for the conference in San Francisco.

The meeting of labor unions that has been scheduled for Kansas City Monday was called off.

President Kline will meet a committee from the Illinois Central road tomorrow before leaving for San Francisco. President Kline said:

"The calling of a strike of the shipmen on the Harriman lines depends on what is done at the conference to be held at San Francisco with Mr. Kruttschnitt. We insist that the federated body of workers be recognized by the railroads."

Carmen Anxious to Strike. KANSAS CITY, Mo., Aug. 26.—Unless Vice President Kruttschnitt soon fixes a date and place for a conference regarding recognition of the federated unions on the Harriman system trouble will result," said M. F. Ryan, international president of the United Brotherhood of Carmen, at his office in this city today.

"We are expecting an announcement regarding the conference from the west at any time. Every hour's delay gives us additional difficulty in holding the men down. We are busy sending telegrams all over the system trying to keep them down."

"Mr. Kruttschnitt has said he will remain only two or three days in California. It will be hard to get the heads of the five labor organizations concerned to San Francisco on short notice. President Lovett has agreed to meet us at any time in New York, but we prefer to meet Mr. Kruttschnitt in the west."

GODEN, Utah, Aug. 25.—Julius Kruttschnitt spent a few minutes today in Ogden in conference with W. H. Bancroft, general manager of the Oregon Short Line, before proceeding to San Francisco.

Discussing the shortening of working hours and the laying off of men over the system, Mr. Kruttschnitt said:

"For a long time we were hopeful that we would not be forced to do so, but business conditions became such we were obliged to. This reduction is applied to all departments."

Shop at Sparks on Short Time. RENO, Nev., Aug. 25.—The Southern Pacific machine shops at Sparks are closed today as a result of an order from headquarters at Salt Lake City. The men were told that hereafter they will be put on a five-day-per-week basis—eight hours per day.

MONSTER LABOR CELEBRATION

Plans Are Being Made for Best Observance Ever Made.

PROGRAM AT COURTLAND BEACH

Willis E. Reed Will Be Principal Speaker and Other Notables Will Enhance the Joyfulness and Delight of the Occasion.

Labor day in Omaha will be celebrated this year in manner planned to eclipse all observances since the beginning of organized labor. Elaborate and careful plans for the celebration have been made by the committee of the Omaha Central Labor union, which will, when carried out, be the very best that have ever been known in Omaha.

Arrangements for the monster parade, the celebration at Courtland Beach, and sports and amusements for the day, have been practically completed by the general committee, and now all that remains to be accomplished before the celebration starts is to ascertain just how many musical organizations will be in line when the parade starts moving.

Five unions have pledged bands for the day, but Chairman Feider of the parade committee thinks when the marchers start at least twelve bands will be in line.

The parade will start at 11 o'clock, and it is thought that over 10,000 men will be in line when the signal to start given. Over thirty organizations of Omaha will have their full membership in line, and labor unions of South Omaha have signified their willingness to join with the union men of Omaha.

The following committees will have charge of the parade, sports, entertainment, etc.: Grounds—Wilson, Woodard, Donahue, Concessions—Riots, Light, Duncan, Sports—Doll, Woodard, Weitzel, Laux, Brown, Entertainment—Sorenson, Staffer, Larson, Speakers—Wanberg, Scheibel, Polan, Law and Order—McDonough, Cummins, Weitzel, Froyer, Murphy. The committee will be augmented by the addition of ten men to be appointed later.

Printing—Program—Folien, Merritt, Young. Parade—Feider, chairman; Lamesch, Marx, Woodard, Hall, Evert, Young, Rostock, Finn, Elgier, Doll, Wilson, Mathevet, Duncan, Omaha, Webster, Jacobs, Polan, Tressler.

Parade from Labor Temple. The marchers will form on Thirtieth and Fourteenth streets, and will start in front of the Labor Temple, marching east on Douglas street to Eleventh, south on Eleventh to Farnam, west on Farnam to Eighteenth, south on Eighteenth to Harney, east on Harney to Sixteenth, south on Sixteenth to Leavenworth and counter-march on Sixteenth street north to Cumming, where they will disband and board cars for Courtland beach.

At Courtland a program of speeches and athletics has been arranged for and the marchers will be given an opportunity to enjoy the best time of their lives. Willis E. Reed of Madison, Neb., will be the chief speaker of the day and he has chosen for his subject "The Future of the Labor Union in Time of Industrial and Financial Depression." Rev. D. E. Jenkins, professor of theology of the University of Omaha, will follow, and C. M. Feider, district organizer of the Harbers' union, and Dr. M. D. Ramsey will close the program.

Athletics will include races, fat men's contests, etc., for liberal prizes. The following is the program for the athletic end of the Labor day celebration: 100-yard dash, girls under 15 years; prizes, 2-pound, 12-pound and 1-pound box of candy. 100-yard dash, boys under 16; prizes, catching race, carried women; \$3.50 pair of shoes, \$2.50 pair of shoes. 75-yard race, single women; \$3.50 pair of shoes; \$2.50 pair of shoes. 100-yard dash for single men; box 50 cigars, box 25 cigars. 100-yard dash for married men; box 50 cigars, box 25 cigars. 50-yard three-legged race, men; box 50 cigars, box 25 cigars.

JURY IN BEATTIE CASE SEES AUTO (Continued from First Page.) where the man was supposed to be standing. He continued: "Mr. Beattie, I said at the time, 'your wife could not have been shot from this point.' He then said the man must have been to the left, about six feet from the car."

We made at this time a close examination of the car. There was blood on the footboard in the front end of the car. There also was a great deal of blood on the right seat of the car. We were trying to find how the blood had gotten on the road. I raised the plank in the bottom of the car and there was no indication of blood going below the footboards.

"I asked Mr. Beattie if he could give me an explanation of how the blood had gotten in the road. He said he could not."

Witness told of talking with Beattie about Bulah Binford. "He stated he was out with Bulah the night before the murder," said Scherer. "I asked about being out with her at other times and he said 'no.'"

"I asked," continued Scherer, "if it was not a fact that Bulah Binford had made Beattie bury the child supposed to be his, in fact, I asked him he was not the father of Bulah Binford's child. He admitted it and said, too, that his wife knew he had paid the expenses of the child's funeral."

All the women were ordered from the courtroom as Scherer reached a stage in his testimony where he intended to tell what Beattie related to him of his physical condition at the time of the murder.

Alleged Plot to Smuggle Opium WINNIPEG, Man., Aug. 25.—By the arrest in Chicago of W. Len Harris and C. R. Cookbourne, well known young business men of Winnipeg, the authorities here assert that they hope to solve the puzzle of opium smuggling into the United States, on which secret service men of both countries have been working for a year.

The prisoners are reported to have confessed and assert that the opium supply found in their room at a Chicago hotel, of fifty pounds, was delivered to them at St. Paul.

For years large quantities of opium have come through the Vancouver gateway to Winnipeg. It can reach this port of entry legitimately as only a nominal duty is collected. From this city the supply has always mysteriously disappeared and the theory of the secret service men employed by the United States here, for a long time has been that it was taken across the border along the prairie via wagon and reshipped in the states to a central depot in St. Paul and Chicago.

The prisoners are declared to have told the police sufficient to involve a number of customs officers on both sides of the line.

ARCH BISHOP IRELAND

HUNDRED THOUSAND-DOLLAR GIFT FOR ARCHBISHOP IRELAND

ST. PAUL, Aug. 25.—Archbishop Ireland at the close yesterday afternoon of the annual four-day retreat of the Catholic priests of the diocese was the recipient of \$100,000, pledged by the 250 priests of the archdiocese. Rev. Thomas J. Gibbons of St. Luke's church made the presentation speech to the archbishop, offering this amount to their beloved superior of the church as a token of the esteem, love and reverence in which he is held by his subordinates.

The archbishop, it is said, could not receive for some moments from the surprise this announcement caused him. The priests of the diocese have contributed sums ranging from \$50 to \$1,000. This amount is to be given the archbishop within a year and is for his golden jubilee, which he will celebrate this year.

Hitchcock's Speech Here Important One

In Event Official Visits in West, His Utterances Will Be Watched with Interest.

(From a Staff Correspondent.) WASHINGTON, Aug. 25.—(Special Telegram)—If Postmaster General Hitchcock can be spared from attendance upon the Hughes commission now sitting in New York, he will visit Omaha during the convention of first class postmasters which opens September 12. It is thought that the Postoffice department that the Hughes commission will take a recess soon to reassemble early in October. In this event, the postmaster general will surely visit Omaha.

There is the yet unsettled establishment of the new railway mail division there which will incidentally take up some of his attention and it may be that he will have a few quiet weeks with Postmaster Thomas. Mr. Hitchcock will deliver an address reviewing the progress made in his department since he has been in office, and in view of the limelight in which the Postoffice department has been in since Mr. Hitchcock assumed office, his address will undoubtedly be looked upon as an official utterance from the president as to postal matters with special reference to second class mail.

A dozen witnesses have identified Korshak as being in the vicinity of buildings damaged by incendiary fires. The police have discovered several places where Korshak purchased jugs of gasoline on different occasions.

Hughes, was seized by an unidentified man in the corral in the rear of her home here and underwent a fierce struggle to prevent an attempted assault. Alice Stupes, 4 years old, ran screaming with fright to the arms of the girl's grandmother, who immediately ran to her grandparents' aid and gave chase to the assailant.

Schmidt Finishes Trip Around World

Parisian Journalist Succeeds in Circling Globe in Less Than Forty Days.

PARIS, Aug. 25.—Jaeger Schmidt, the Parisian journalist, drove up in an automobile in front of the office of the Daily Excelsior, in the Avenue Champs Elysees at 2 minutes, 19th seconds past 3 o'clock this morning, officially completing his circuit of the world in 29 days, 19 hours, 45 minutes and 27th seconds.

Jaeger Schmidt started from Paris at 3:45 p. m., July 17, in an attempt to beat the record of M. Stiegler of the Paris Match, who made the journey around the world in 61 days. The route followed by Jaeger Schmidt took him to Vladivostok by way of Moscow. At Vladivostok the Frenchman boarded a steamer bound for Yokohama, whence he sailed for British Columbia, arriving at Vancouver ahead of his schedule. Taking a train at Vancouver the traveler passed through Montreal August 13, bound for New York, reaching that city August 18, and on the following day he left New York, sailing on board the steamer Olympic on the last leg of his journey.

The traveler could have arrived at his goal two hours earlier if he had not stayed at Cherbourg after midnight for a supper given in his honor by a number of journalists.

The captain of the Olympic slightly bettered the usual time taken by the vessel in crossing the Atlantic, the steamer reaching the Cherbourg harbor at an earlier hour this morning. As soon as the liner entered the roads a motor launch took off the journalist, he being especially exempt from examination by the customs authorities.
