INVESTMENT OPPORTUNITY
13 ROOMS—All MODERN, $6,000.
We have a two apartment house, containing 13 rooms, 2 bath rooms, 7 bedrooms, with parlor, dining room, and kitchen in each apartment, with new plumbing and good heating plant.
This property is too large for present owner and it is a splendid proposition for some one who will buy it and divide it into four 3-room apartments. Owing to the arrangement of the house, this work can be done at a very small expense and when completed the apartments will rent for $25 each. The buyer can live in one apartment, rent the rest and make a good investment out of your home.
The building is well built and in good condition, only 12 minutes ride to the center of the city, one block from the Dodge street car line and in good residence district.
THE NUMBER IS 2619 NORTH 29TH ST.
It is just north of Ohio on the Florence Boulevard. A good 6 or 7-room modern house will be taken in exchange at the right price. This proposition is certainly worth looking into.
