 Store Closes at 6 O'clock. Saturdays at

Anent Clothes Quality

There must be a great deal
 more in Bennett suits for women
 than handsome fabrics and clever
 designing.

Women's suits to be right—to
 be all that they should be—must
 be tailored right. The man who
 sits in cross-leg fashion with the
 garment in his lap is the force
 that really makes good clothes.

Makers of the suits that come
 into the Bennett store appreciate
 that fact fully. That's why Ben-
 nett suits are the best suits you
 can buy anywhere.

Each garment is tailored right
 wear and service and character is
 sewed into it by the man with the
 needle.

If you will but take the trouble to
 come and see for yourself, we are
 almost sure you will wear a Ben-
 nett suit this Fall and Winter.

Prices begin at fifteen dollars.

**Closing Out a
 Few Suits, \$7.50**

A short time ago
 women were glad to get
 them at prices ranging
 up to \$19.50.

These suits are plain tail-
 ored, made of high grade
 serges and lined with du-
 rable satins—quite the thing
 for early Fall wear. Choose
 from tans, greys, blues and
 black.

THE BEE BUILDING IS THE PLACE

where inducements are offered to those
 seeking desirable quarters. New elevators have
 been installed at no little expense, enabling patrons and
 their clients to reach their destination in the building with
 the greatest amount of safety and speed. The lobby, court
 and corridors have received a thorough rejuvenation, and
 with their new coats, present a cheerful appearance. The
 offices throughout the building have never been permitted
 to look otherwise than clean and attractive. You pay of-
 fice rent only. All the incidentals, such as janitor service,
 electric light and water, are included in the price of the
