### PROTEST SCORED BY ENGINEER

Declares it to Be Scheme of Promoters to Fool Citizens.

### MANY BRICK ARE CONDEMNED

Mr. Craig Said This Will Be Continued with Material for Manderson Street Paving Until Standard is Reached.

Protests against the brick paving on Manderson street are characterized by City Engineer Craig as the underhanded efforts of paving brick promoters to fool the taxpayers. At the meeting of the city council Tuesday night a protest was received from Chris Jewel in which he stated that the tests were being made with pig iron shot, when they should be made with scrap iron, and that he would contest the paving taxes if the tests made by the engineer were not more thoroughly made or some other brick than Buffalo be substituted.

"I do not know Mr. Jewel," said Mr. Craig, "and he may be as he says, a property owner on Manderson street. I do know that the paving promoters are probably back of his protest, because of the way it is worded. The law says nothing at all about what sort of iron should be used and the shot we use are regular foundry shot, part pig and part scrap iron, as hard as anything could be. We have already condemned carload after carload of the Buffalo brick submitted for Manderson street and we will continue to condemn it but if it does come up to standard it will be used regardless of what measures the promoters of other kinds of brick may resort to in order to harass me and hold up the work. The Buffalo brick was specified by the petition of the property owners and I have no choice in the matter as long as it fulfills the conditions."

### PERSONAL PARAGRAPHS.

### Surprise is Given

Byron R. Hastings by His Many Friends

### Old Neighbors Dined in All Sorts of Costumes and Warm the New Home.

Friends of Mr. and Mrs. Byron R. Hastings gave them a party in their new home at 304 Hawthorne avenue Tuesday evening. The party was in the form of a surprise to the Hastings, they not knowing that their old neighbors intended dropping in to see them. All were out in dress uniform, representing characters, from the head waiter in the Rome hotel to the tiller of the soil. These people, who live in the neighborhood of Thirty-third and Harney streets, are the same that held the safe and sane Fourth celebration there last July.

### ALBERT MONHEIT DISCHARGED

Man Accused of Embezzlement Shows that He is Not Guilty of the Crime Charged.

Albert Monheit, arrested Tuesday morning on a warrant charging him with embezzlement, sworn out by J. Slosburg, Jr., was discharged in police court Wednesday morning. According to Slosburg, Monheit collected \$300 rent from tenants in the Douglas block during the month of August. On August 25 Slosburg became suspicious of his collector and demanded the money, which Monheit claimed he did not have.
