The merits of the country are demon-strated by the flourishing corn fields, gar-dens with prize winning products, mail routes and telephone service, comfortable homes, loaded with chickens, eggs, vege-tables, home-cured meats, and home-mide preserves, pure coel, soft water from never failing wells. Dry atmosphere, full of sunshine, exhilaration and health. Fat stock cattle fit for the market from sum-mer pastures, best in the west; knee-deep in grass that is green till touched by autumn's frost. Valleys that have never failed to yield a crop in 20 years, sub-irri-gated from lakes and rivers from which settlers and pleasure seekers return with game. fish and wild fruit. Banks may fail, stocks depreciate, city property deteriorate by business moving and vegetables and hardier fruits without in mother direction, but land that can produce beef, pork, mutton, poultry, grain and vegetables and hardier fruits without indives best in or rigate it, is one of the bound to rapidly quadruple in value with a railroad building close to it, and an ever freeks that be beyond a poor man's mereasing throng of homeseekers who realize that the day is fast approaching when land will be beyond a poor man's meth.

A Hill Car.

This automobile will be on exhibition in Omaha at a later date.

This 5-passenger 1911 Model White Steamer Touring Carodorless, smokeless and noiseless-is in the tenth year of its success. No car has stood the test of time with necessity for fewer changes. For stability in construction as well as in purpose and performance the White Steamer has held a high place in the mind of the motoring public. The car needs no cranking nor shifting of gears to get any desired speed. The increasing number of White Steamer cars being sold each succeeding year, together with the practical endorsement of the U. S. government, which owns and operates more Whites than all other makes combined, is sufficient guarantes of high quality.

that of Los Angeles, Fresno, etc., lies Tehama county, California. It is within two hundred and fifty miles of San Francisco and there is situated the famous Lutheran colony which has had so much discussion in Omaha by reason of a local clergyman taking the initiative in its formation. The Bee offers this 10-acre ranch as Second Prize in its Booklovers' Contest. Here is a livelihood for man, wife and children for the rest of time. Here is \$1,250 in land, carrying free water, waiting only for the plow share and intelligence to cultivate it and produce almost any variety of fruit.

Full information concerning this land may be had at the office of TROW-BEIDGE-BOLSTER CO., in the City National Bank Bidg., Omaha.

THIRD PRIZE and EIGHTH Avenue

The accompanying illustration tells only of the outside of this magnificent KRELL AUTO-GRAND PIANO. It tells not of the vast excellence that lies beneath its magnificent, fancy walnut case. Well informed plano men are insistent in the claim that the Krell Auto-Grand is positively the most complete and efficient player-plano offered to the music-loving public.

The modulating pedals and the mechanism to carry the tune above the accompaniment are marvels of simplicity. The Krell Auto-Grand claims to have in the absolute, the "human touch" so prized by player-plano makers. From the inside to the case, from the pedals to the levers, this magnificent \$900 player-plano may be examined with every facility at the plano warerooms on the third floor of the big

This ingenious encyclopedia, which is a development rather than an invention, has besides its conveniences the value of hundreds of editors mentally equipped to make one of the greatest encyclopedias ever compiled. One of the strongest recommendations for this work is that it is from the press of the old reliable house of THOS. NELSON & SONS, of New York, London, Dublin and Edinburgh, which was founded in 1798. This encyclopedia of twelve volumes,
