BRYAN THROWS OUT FEELERS

Seeks Shallenberger Support to Delegate Aspirations,

ALMA MAN FIGHTING

Commission Gets Message From A. F. Stryker in Oklahoma that Kansas City Yards Cut Price of Hay.

(From a Staff Correspondent.) LINCOLN, Sept. 11.—(Special.)—Mutual friends of Shallenberger and Bryan are said to have made the attempts during the last week to get the Alma man's endorsement behind Bryan's candidacy for delegate to the democratic national convention. Shallenberger's supporters are said to have advised the former state executive that such a move would be good if Bryan in turn fect the validity of the proclamation. would endorse the ex-governor for the United States senate. All of these machinations are looked upon with more or less suspicion by the Shallenberger faction of the democratic party and they are inclined to fight free of all appearances of evil.

my many of the most enthusiastic Shallenberger supporters the candidacy of W. H. Thompson of Grand Island is regarded with little seriousness. By certain wings of the party, however, it is believed that the "Little Giant" is going to be a formidable opponent for the place and they predict that the race for the senate will be unusually close and interesting. Opponents of the Grand Island man assert that due to the fact that the war hatchet between Mr. Bryan and Mr. Thompson has not been out for so long that the mind of man runneth not to the contrary, there is little probability that Mr. Bryan would endorse Shallengarber's candidacy when matters between him and the Fairview statesman had been so acute since the county option feature of political activity was so energetically taken up by the great commoner.

Cut in Sand Rate.

The railway commission today gave the Burlington road permission to reduce the rate on sand from Brickton to Bradshaw from 4 cents to 3% cents per hundred and to cancel a 3-cent rate from Hastings to Bradshaw and restore the class E rate. It was found that sand was moved from Brickton and not from Hastings, the former being-a short distance south of that place on a spur line of the Burlington.

The commission today announced that a hearing would be held September 28 for Chadron people who desire to compel the Burlington to make several material Bohemians Seek to Assist Woman changes in street crossings in that place. The complaint of citizens of Nansel, who want a depot and station agent at their place, will also be heard on that date.
