ONE LONE RUN WINS HOT GAME

Freeman Pitches a Two-Hit Game and Loses Out.

ROBINSON KEEPS HITS APART Pass, a Sacrifice and a Double Coming Together Give Omaha the Only Run and the Game.

"Buck" Freeman, star of the St. Joe team and who goes to the White Sox next spring, and "Ruby" Robinson, one of Pa's hurling wonders, engaged in a duel yesterday afternoon in the last game of the series, in which the Omaha boy came out at the long end of a 1 to 0 score.

The fact that the Rourkes won the game does not cast any reflection on the pitching of Buck, who was sure there and over. He allowed but two hits during the game, but his wildness in the second inning in passing Williams proved his undoing. A sacrifice hit by Coyle followed the pass, and a double by Farrell brought in the only run of the game. Aside from his wildness Freeman pitched one of the best uphill games of his career.

Robinson, however, deserves credit for his work. But two men were walked by the tall blond and, although he was found for five hits, they were well scattered throughout the innings. Nine of the Josies fel! before his mysterious curves by whiffing the wind. He pulled off his best work in the fifth inning when it looked like Chicago at Pittsburgh, Cincinnati at St. the Josies must surely score. Here it was that Robinson showed his class by striking East and West Contest

In the ninth the Josies went after run hard, but a beautiful throw by Coyle from deep left nipped a runner at the plate. In this inning Powell opened with Interest Centers in the Match Bea single. A sacrifice by Zwilling placed Powell on second. Rellly then singled to left and Coyle shot the leather home with the speed of a cannonball just in time to catch Powell by a few inches. The game ended when the next man, Lawthers, struck

CURES OLD

Contagious Blood Poison is responsible for a great many old blood troubles, such as scrofulous affections, skin eruptions, catarrhal troubles, Rheumatism, ulcerating sores, etc. There is no such thing as ridding the system of these effects by killing the poisonous germs. Any medicine powerful enough to accomplish this would also destroy many of the delicate linings and tissues, and wreck the constitution. The only way to cure old blood troubles is to REMOVE the cause from the circulation, and for this purpose nothing is equal to S.S.S. It goes into the blood, and drives out every taint and poison, and makes this vital fluid pure, rich and nourishing. S. S. S. has long been known as the greatest of all blood purifiers and many thousands have rid themselves of old blood diseases by its use. It ALWAYS removes the impurity from the blood. Book on the blood and medical advice free to all. S. S. S. is for sale at drug stores.
