Western Ball Players Spend Off Day at Field Meet in Lincoln.

GILMORE TIES WORLD'S RECORD Lincoln Takes Three Firsts, One Second, and Ties for Second in

> Two Events at First Annual Field Meet.

(From a Staff Correspondent.) LINCOLN, Sept. 14.-(Special Telegram.) Grover, left fielder of the Denver Grizriles, equaled the world's record for besting out a fair bunt to first base, in the first annual Western league field meet when he covered the distance in three and one-fifth seconds. The record which was equaled by Gilmore was held by Jack Thoney of Toronto. This was later tied by Shaw of the St Louis Cardinals.

Aside from taking first place in beat ing out a fair bunt, the Grizzly left fielder won the event of circling the bases, by making the route in fourten and threefifth seconds. The winning of most events for the meet goes to Lincoln, who tokk three firsts, one second and tied for second place in two other events. Denver

was second with two firsts and one second. The meet which was staged by Donald Despain, president of the Lincoln base ball club was a success in every sense. The attendance was not large, but the expenses were all paid and a neat little sum left It was decided to make the field day a yearly event.

The ball same between the Antelopes Omaha Motor and the All-Star Western league team. which was picked by sport writers over the circuit was won by the All-Star team, 5 to 3. Beatl of Denver broke up the game in the third inning when he slammed the ball over the right field fence for a home run with one man on base. In the fifth inging he sent out a triple to the same

Every town in the league was represented, either in the field or in the stands. St. Joseph was here in full force. A large delegation of St. Joseph boosters occupied two boxes and the fact that they were from St. Joseph was impressed on the as-

semblage in more ways than one. Owing to the fact that the Pueblo and afternoon the exercises did not start on in the mud and pulled it out. ball over the fence and it was thought he had the money tucked away, but "Rip" Hagerman, one of the Antelope twirlers. sent Tex's ambition sailing when he put the ball over the fence further down the field. He won the event by over three

Miller of Lincoln surprised his teammates and also the fans by winning the accurate throwing from out field. In his

second try Miller shot the ball from a mark in left field 210 feet away within a foot of the home plate. Kelley, the St. Joseph left fielder, was a close second with a throw from the plate. Kelly was the most consistent heaver of the bunch, getting the ball in a five-foot ring around plate three times.

The long distance throwing event was von by a dark horse, the said dark horse being Weakly of St. Joseph. who was recently speared by Jack Holland from the Nebraska State league. Matticks was heralded as an easy winner in this event and was heavily backed by the Lincoln followers, but he never had a show for the money. Weakly sped the leather through the atmosphere for a distance of 253 feet. Paul Cobb of Lincoln was second with a heave of 338 feet, 2 inches.

In circling the bases Gilmore shined. He sped around the course in thirteen and onefifth seconds and would have made faster time had he not been slow in getting away from the plate. Miller and Cobb of Lincolu and Beall of Denver also showed up advantage. Their cards were as follows: fast in this event, making the distance in a second slower time than Gilmore. Miller had not entered in this event, but he was urged into the contest by the fans in the stands who called for him.

Gilmore was again the star in beating out fair bunts. The little Josie got away clean from the bunt and was on the run when the ball struck the bat. To the spectators it seemed that he touched first almost as soon as he hit the ball. Five other contestants divided the \$10 prize for second place. They all made the distance from home to first in three and two-fifths

DEFEATS WATSON VERY EASILY Two to One on Briton in

Spite of Fact that Seven Good American Players Are Left.

RYE, N. Y., Sept. 14.-The American grip by defeating R. C. Watson of Westbrook, 11 and 10. Although seven good American players tonight stand between him and the title, the betting was 2 to 1 on Hilton against the field.

Those who won today are paired for the third round tomorrow as follows: Harold H. Hilton, Royal Liverpool, and Jerome D. Travers, Upper Montclair, N. J. C. W. Inslee, Wykagyl, and P. W. Whitemore, the County club. Brookline. Frederick Herreshoff, Ekwanok. Manthester, Vt., and Oswald Kerby. Englewood, N. J. chester, Vt. and Oswald Kerby, Eng wood, N. J. Albert Seckel, Riverside, Chicago, a Charles Evans, jr., Edgewater, Chicago

By luck of the draw the two surviving pitted against each other. As a rule, the eight matches today fulfilled expectations, although there were several close finishes, notably between

mer, the French champion. Evans had a lead of two holes at the end of the first round, but it took him several holes to recover from a bad break and square the match at the thirty-fifth hole. The contest went to thirty-eight holes before Evans could win over the newcomer. Luck Helps Players.

Dame Fortune took a hand in the game and followed Travis, Evans and Herreshoff with motherly care, their opponents said. To Travers she allowed several long puts and pulled him out of a trap into which he had driven. She helped Evans many times, especially on the twenty-seventh hole where Kammer's well placed third kicked off behind a barn. Paul Hunter of Chicago, who lost to Travers three down at the thirty-fifth hole, played several strokes better golf than his opponent, Totals ..... 29 16 37 11 0 but his ball on half a dozen greens seemed to dodge the cup. Herreshoff also was favored by luck. Hilton's game today was of such pre-

cision that "Bob" Watson kept slipping back constantly until the one-sided struggle ended at the twenty-sixth hole. Kirkby also had a runaway match with J. D. Brown of Edinboro, Irish champion, who proved no match for the Englewood player. It took the entire executive board of the association to handle the crowd that swept over the links behind the Travers and Hunter match. Several of the fair greens will be roped off tomorrow. After the Travers and Hunter and the Hilton and Watson matches had been settled, the eager followers turned to Evans and Kammer. At ... 28 9 21 9 8 Totals ...... 24 8 21 13 4 the thirty-fifth green, Kammer, with one hole to the good, laid his third within four feet of the hole for what looked like an easy four. Evans played from the long grass and put the ball directly between Kammer and the cup. The stymle was too

long for the Foxhills player and Evans won the hole and squared the match. The Hirty-sixth and thirty-seventh holes were KANSAS CITY, Sept. 14.—Jack Flyn won thirty-sixth and the third special and the second a home run over the center field tence with the bases full in the third inning. It was the longest hit ever made on the local grounds. Rieger held Kansas City to four hits. Score:
