To Do Something Better for Men and Young Men In the Way of Suits at \$14.50

That Was the Inspiration That Led to the "Hayden Wonder" Clothes

We took the standard of the man who pays this price—the thrifty man who knows style, who wants a suit that will fit and will give good service and who is careful with his money. Down the line we went, saw more fabrics to put in these good clothes than a hundred men will wear in a lifetime, chose the best and produced a better. Not merely one better, but hundreds; adding variety to value, and here they are, ready to wear—

"Hayden Wonder" Suits

Strictly all wool, hand tailored—perfect fitting and shape you want. Regulars, stouts, long stouts, short stouts, stubs and slims—in all the predominating fabrics for Autumn wear. The blue serge we have produced in this line is certainly a "wonder." The best suit in America we offer you at **\$14.50**. Why pay \$18.00?

Our special folder containing a few samples we are producing in our "wonder" clothes will reach you soon by mail if it has not already—thousands of them are on the way.

Boy's School Shoes

The real live American boy must have a durable school shoe.

No ordinary Boy's shoe will stand the hard knocks he will give them.

We have a boy's school shoe that we guarantee to outwear two pairs of the average boys' shoes, and they do it too.

High grade material and skilled workmanship make these shoes cost a trifle more than the ordinary kind. But the difference in wearing qualities will save you money in the long run.

Grandmothers Used Sage Tea

To Darken the Hair and Restore Gray and Faded Hair to Its Natural Color.

It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made a "sage tea" and their dark, glossy hair long after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the wisdom of our grandmothers in using "sage tea" for their hair and are fast following suit.

The present generation has the advantage of the past in that it can get a ready-to-use preparation called Wyeth's Sage and Sulphur Hair Remedy. As a scalp tonic and color restorer this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers. This remedy is sold under guarantee that the money will be refunded if it fails to do exactly as represented.

If your hair is losing color or coming out, start using Wyeth's Sage and Sulphur today, and see what a change it will make in a few days' time.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.
