Houses and Cottages—Continued

NEW FOUR-ROOM BUNGALOW
This is not the cottage advertised last Sunday, it was sold. This cottage is located in the Rose Hill addition, one block west of Country club golf links, 24 feet front porch; good sized living room, splendid dining room; nice kitchen and convenient kitchen; inside basement entrance; large bed room, with big closet; good bath room; best grade low-down siphon water closet, city water, heavy one-piece porcelain sink; all floors machine scraped, smoothed and varnished to gloss; electric lights all through, with pretty brushed brass chandelier for living room, and amber dome for dining room. The plan of arrangement same as cottage advertised last Sunday. The construction and material also the same; double floors, all joists bridged, red rosin paper between floors, tar felt between walls; strong and substantial and finished just as nicely as the larger houses. Rooms are not crowded and small, arrangement very convenient. Located in good neighborhood, on a lot that lays up well, size 50x140. You are tired of paying out your good money in rent, you want a home, where you will not have to move if the landlord wants to sell; you have been looking perhaps for some time to find something that would suit, but when you found a place that you could buy on right price and terms you have found it in an undesirable location or neighborhood. This little cottage is not finished in quarter-sawed white oak, it does not have a great deal of expense merely for show, but it is a well built and cozy little home, built on a plan that you can convert into a five-room at any time with small cost. Your rent will buy it, price, $1,675; $75 cash and $17.50 per month; monthly payments include interest; you get a deed and abstract soon as you take possession. See today; this will sell as quickly as one advertised last Sunday, and all others. Can be seen Sunday and evenings only. Come to my residence, 115 South Halcyon Ave., Benson. Phone Benson 122.*

One of the handsomest, most artistic and classy houses in the Hanscom Park district, one-half block from park; old English style; stone walls around lot; enclosed sleeping porch, four bedrooms, not counting sleeping porch; parlor, dining room, kitchen and reception hall; quarter sawed oak, colonial style, first floor. Second floor finished in white birch; tiled bath room; house just finished, never been occupied.
