# Preacher Lambert in Own Defense

PROVIDENCE, R. I., Sept. 19 .- The action of Rev. Joseph Lambert, a Congregational minister of this city in marrying Colonel John Jacob Astor and Miss Madeline T. Force was discussed at a meeting of the Providence ministers of the denomination today. A committee of three will report on the matter at the next meeting of the State Society of Congregational Ministers, October 18. Mr. Lambert spoke briefly in defense of

injured when a street car leaped from the tracks and plunged over a 100-foot hill at Fifth and Bluffs streets here tonight. Only three passengers were in the car when the accident occurred. The dead are:

DENNIS KAUFFMAN, a passenger. H. E. MYERS, motorman. Conductor William Kaiser was badly hurt.

The car left the track at a sharp curve on an incline. Several hundred feet before the car reached the turn it became evident that the motorman had lost control of his brakes. Realizing this, O. C. Colt, a cousin of Russell Coit, husband of Ethel Barrymore, dropped off the read platform to safety.

SHEEP-Another flood-ide run of iambs and sheep arrived, finding a mar-ket practically free from the usual de-pressive competition of stale offerings, Final count yesterday gave a total of 42,000 head, about 4,000 head in excess of 42,000 head, about 4,000 head in excess of the early estimate, but final clearance in all branches of the trade left empty selling pens and the market as a whole was a rattling good one. Fresh receipts were placed at 42,000 head, mostly lambs, and about 65 per cent feeders.

All early indications pointed to a session not only big, but also busy. Packers wanted fat lambs and seemed willing to pay prices quotably steady for anyto pay prices quotably steady for any-thing in this lines that met their require-

buik of the offerings changed hands in good season this morning. The prices paid were strong to as much as 100 migher in spots. Feeder buyers took a good many heshy cattle that were really good enough for killers, paying as high as \$6.00 for good weighty cattle to be taken back to the country and placed on feed.
