Wash your dishes with GOLD DUST

Ordinary dish-water only cleans the surface. Put a dash of Gold Dust into the water and it will go to the bottom of things, drive out every bit of dirt, every germ, every hidden particle. Gold Dust cleanses as well as cleans. We promise you this if you use Gold Dust:—Your dishes will be sweeter and cleaner than ever before, and you will save at least half the time ordinarily consumed in washing them.

Gold Dust does better work than soap or any other dish-washing product—and saves half the time.

Gold Dust is sold in 5c size and large packages. The large package means greater economy. "Let the GOLD DUST TWINS do your work"
