**HOYE AND CANDIDATES TALK TO LOYAL CLUB**

Almost three hundred persons, the greater part of which were members of the Loyal club, gathered at the club rooms last night at 1113 North Twenty-fourth street, to hear Fred Hoyer, candidate for sheriff, and a number of other candidates speak. Mr. Hoyer gave a brief outline of his platform and asked the support of the Loyal club. That he did not appeal in vain was evident by the songs which were sung in his honor and the rife of the crowd which bestowed a great confidence in him.

Other speakers were W. G. Ure, candidate for county treasurer; Bryce Crawford, candidate for county judge; Willis Crosby, candidate for coroner; Frank Dewey, candidate for county clerk, and James Lizzia.

**EXPRESS COMPANY'S BILL CONSIDERED EXCESSIVE**

The Omaha Water board was in executive session ten minutes Thursday afternoon and then adjourned to meet next Wednesday afternoon, at 4 o'clock. The only business transacted was postponing action on the bill of the Merchants Express company. This concern was employed to haul the ballot boxes to the fifty-seven election booths the morning of the recent election when the people voted to buy the water plant. For the service the express company put in a bill for \$24, which the members of the water board looked upon as being so high that it was out of all proportion as compared with the work performed.

**AFFAIRS AT SOUTH OMAHA**

**Booster Club Takes Issue with the Annexationists.**

**GOOD LAUDS MAGIC CITY**  
City Clerk Says It is Best City of Its Size in United States—Caldwell Finds Fly in Ointment.

Taking issue with the annexationists, the Booster club went squarely on record last night as being irrevocably opposed to the consolidation of Omaha and South Omaha.

A set of resolutions impugning the motives of the movers of the annexation project and branding them as defeated political aspirants, was read by John Kennedy, secretary of the club.

Frank Good, clerk of the club, then took the floor and lauded South Omaha as being the best city of its size in the United States. Mr. Good said his objection to a merger of the two cities was based on his views as a citizen and a taxpayer rather than an office holder. He said he defied any of the opposition to show one item wherein South Omaha would be benefited by the consolidation of the two cities. He declared South Omaha to be the cleanest city in Nebraska, and offered to donate the point at any time and with anyone who disputed the statement. Mr. Good concluded his speech with a strong plea that the Boosters take strong and concerted measures to repress the propaganda of the annexationists.

Judge F. Caldwell was called to the floor immediately at the conclusion of Mr. Good's speech and impressed upon the club that Mr. Good had shown only one side of the picture. He told the Boosters that annexation would depend more or less upon the stand taken by laboring men and reminded the city clerk that the semi-monthly pay day had not yet gone into effect. He said if the officials expected to stamp out the discontent so prevalent at present they must see to it that the causes of discontent are removed. Answering the charge of Caldwell that the delay was due to the clerk's office, Good explained that any time the council would pass the proper ordinance he would gladly pay the money even twice a week or once a day.

The chairman at this juncture poured all on the pro and con and brought up another subject. For the Wild West show, to be held on the afternoon of October 4, it was arranged that a grandstand should be erected in order to protect sightseers from any danger. The matter was put in the hands of City Clerk Good for arrangement. The club will meet next Tuesday night to conclude arrangements for the show. Various committees will visit the packers in order to win their consent to a half holiday on the afternoon of the show.

**Inquiry Over Bonds.**  
City Clerk Frank Good is very much perturbed over the failure of Spitzer and Co. to acknowledge the receipt of certain bond histories sent for approval last month. Mr. Good has written the company asking for information in regard to their silence. There are sixteen bond histories in question, amounting to \$18,000. Some of the citizens, said Mr. Good, "and I want it understood that this office is in no way to blame for the delay. The histories were gotten out in record time and the delay is at the office of the bond company. I expect a reply to my query as to the delay any day."

**Frank to Annapolis.**

He will go for a three months' course at a "prep" school near Annapolis, after which he will undertake the entrance examination.

**Sentenced to Church.**  
On the promise that he would attend some church or religious body next Sunday a week and return a written synopsis of the sermon, Judge Callahan yesterday suspended a thirty-day sentence in the county jail that hung over the head of George Williams for drunkenness.

**John Mitchell, a former boarder at Cusick's hotel, Twenty-fifth and O streets, complained to the police yesterday that he had been "miked" out of four checks aggregating \$4. Mitchell told the court he had been drinking and had signed one of the checks at the request of one of the women of the place. He did not recall signing any more and asked the court to get his money back. City Prosecutor Bob McNally ordered that the women in question be brought in for investigation.**
