THE EMPLOYMENT DEPARTMENT: Last Sunday we called attention to the fact that during the quiet months of July and August that our Employment Department, together with the employment departments of the various typewriter companies, placed 197 Boyles College graduates. Among the permanent positions placed through the Smith Premier Typewriter Company are represented, The City National Bank, Omaha Daily News, U. P. R. R. Permanent positions were filled direct from the school with such well known firms as the Updike Milling Co., Forbes Paint Co., American Hand Sewed Shoe Company and thirty-two other equally prominent concerns, during the months referred to.

All telegraph students are guaranteed positions by the Union Pacific Railroad. New classes will be organized in all departments tomorrow. If you are
