

What Women Are Doing in the World

RHE club calendar has been jiggled about a good deal this week, many of the meetings being changed to other than the regular days, or postponed until next week on account of the Ak-Sar-Ben parades of Tuesday and Wednesday.

The club events of the week will be the opening of the Woman's club and of the Daughters of the American Revolution on Monday and of the Society of Fine Arts on Thursday.

The Omaha Woman's club will begin its eighteenth year of activity Monday at 2:30 p. m. in the club parlor at the First Congregational church. The most important subject which will come before the club is the question of changing the club headquarters to the Metropolitan building.

Delegates to the biennial convention of the Nebraska Federation of Women's clubs at Holdrege October 19, 11 and 12 will be elected. The club is entitled to one more than last year—seven besides the president.

The Woman's Journal, the national suffrage magazine, has this to say of a Nebraska woman in the September 22 issue: "Miss Gertrude Jordan has 'made good' as county treasurer of Cherry county, Neb. The young woman has proved to be so valuable a county official that for the coming election she has been nominated on every political ticket. No one has come forward to oppose her."

Miss Grace Conklin and Mrs. F. A. Bixby were elected members of the American Woman's league at its meeting Thursday.

C. F. WELLER IS TO MAKE TRIP AROUND THE WORLD
Col. Charles F. Weller, president and principal owner of the Richardson Drug company, will start out Sunday on a trip around the world by way of rest and recreation after a successful business career of a quarter of a century.

The Woman Suffrage society, which was to have met Wednesday of this week, has postponed the meeting one week. At that time the annual election of officers will be held, also the election of delegates to the state convention at Lincoln in November. The society has invited Mrs. Emmeline Pankhurst, the British suffragette, to speak in Omaha, and is now negotiating for a place for the noted English woman to give her address on either November 29 or 31.

The Dundee Woman's club, which was scheduled to meet Wednesday with Mrs. G. C. Young, will meet Monday at 2 p. m. at the home of Mrs. E. R. Hume. Mrs. F. J. Barr will have charge of current topics. Mrs. Burke Sinclair will lead the study hour, at which the book, "John March, Southerner," by G. W. Cable, will be reviewed, different phases being reported by Mrs. J. J. Dodds, Mrs. E. M. Westerfield and Mrs. A. D. Bradley.

The class in Persian history, of which Mrs. Ida Hancock of Council Bluffs is leader, will meet Monday morning at 10 o'clock at the public library to continue the study course begun last spring, when it was organized. The members are: Mrs. C. W. Astell, Mrs. N. P. Fell, Mrs. John McDonald, Mrs. Edger Morsman, Jr., Mrs. Alice Bierbauer, Mrs. Joseph Polcar, Mrs. C. C. Rosewater, Mrs. Arthur

English, Mrs. F. N. Connor, Mrs. H. C. Brome, Mrs. J. R. Ringwalt.

The Benson Woman's club has postponed its meeting from October 5 to a week later.

The Woman's Relief corps of U. S. Grant post meets Tuesday at 12:30 p. m. at Barlight hall.

The Story Tellers' league will meet Thursday afternoon in the public library. Miss Eloise Hills will be leader and the Greek myths of Theseus, of Andromeda and of Orion will be told.

The Daughters of the American Revolution will hold their first meeting of the year Monday afternoon at 2:30, at the home of Mrs. John R. Webster. Mrs. C. D. Parsons, whose mother was a "real daughter," will read a paper relating the experiences of her grandfather during the Revolution as related by her mother.

Mrs. Frank Crawford will speak upon "The Star Spangled Banner." A musical program will be given under the direction of Mrs. Thomas L. Lewis.

The members of the household economics department of the Woman's club, will get together Thursday morning at 10 o'clock to talk over their summer vacations and plan their work in the department for this season.

The Woman's Journal, the national suffrage magazine, has this to say of a Nebraska woman in the September 22 issue: "Miss Gertrude Jordan has 'made good' as county treasurer of Cherry county, Neb. The young woman has proved to be so valuable a county official that for the coming election she has been nominated on every political ticket. No one has come forward to oppose her."

C. F. WELLER IS TO MAKE TRIP AROUND THE WORLD

Col. Charles F. Weller, president and principal owner of the Richardson Drug company, will start out Sunday on a trip around the world by way of rest and recreation after a successful business career of a quarter of a century. Col. Weller will go straight to Syracuse, N. Y., where he will visit his daughter, Mrs. C. E. Walker, after which he will attend the annual convention of National Association of Wholesale Druggists at the New Astor in New York. He will sail October 21 on the Cleveland for Europe. He will be gone four months returning by way of San Francisco.

Friday evening a number of Col. Weller's friends gathered at the home of his daughter, Mrs. J. W. Fisher, to wish him "bon voyage."

INSPECTORS ON COST OF LIVING FINISH WORK
Inspectors J. C. Britton, J. J. Sullivan, and Miss Edna Miller, connected with the Department of Commerce and Labor, who have been making investigations in the increase of the cost of living and wage scales here during a period of five years, finished their probe and have gone to Kansas City, where they will begin an investigation along the same lines. The work was carried on quietly and the inspectors would not state what the result of their investigations were, although they intimated that the cost of living had increased considerably more than the wage scales.

Captain Hains Pardoned.
ALBANY, N. Y., Sept. 30.—Governor Dix today signed a pardon for Captain Peter C. Hains, Jr., who killed William E. Annis at the Bayside, L. I. yacht club house in August 1908. The pardon will be effective Monday.

Woman Loses Money on Joy Ride, Police Arrest Companions

Three Omaha joy riders, accused of robbing a fourth member of their party in Fremont, were caught and searched by Omaha police at 2:30 this morning and released at the request of the alleged victim, A. E. Walkup, an Omaha lawyer, as a friend of Mrs. Marquette, who asserted in Fremont that her companions had robbed her of \$250, but none had been filed at an early hour this afternoon. The accused members of the party were Charles Howar, a taxi driver, Mrs. Spencer of Council Bluffs and Mrs. Marian Kountz of South Omaha.

According to the story told by the Fremont police, the joy riders arrived in Fremont at about 11 o'clock last night. Mrs. Marquette was taken suddenly ill from heart disease in a garage where the machine was being filled with gas. A physician was called and the stricken woman was taken to a hospital and A. E. Walkup decided to stay and take care of her.

The remainder of the party, consisting of Howard, Mrs. Spencer and Mrs. Kountz left for home. Soon after the party started for home Mrs. Marquette discovered that she had been robbed of \$250

in bills which her companion had given her and which she sequestered beneath her stocking for safety. Word was immediately telephoned to the Omaha police to stop the party and place them under arrest.

The emergency automobile with three policemen was sent out to meet the machine, which they did about 2:30, near Dundee. The party was taken to the police station, where all hands were searched, and no money found. The Omaha police then telephoned to Mrs. Marquette the result. A consultation was held between Mrs. Marquette and Mr. Walkup and they told the Omaha police to release the three.

From reports received here this afternoon Mrs. Marquette is still in the hospital at Fremont. The identity of the Omaha attorney was withheld by the Fremont police, but it leaked out through the Omaha police.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature
You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.
