

**AFFAIRS AT SOUTH OMAHA**

**Boy Problem Discussed at Churches of the City.**

**TOUCH ON Y. M. C. A. NEEDS**  
Merchants and Business Men Co-Operate at Booster Club to Arrange for Big Wild West Show.

With the fate of the local branch of the Young Men's Christian association hanging in the balance for lack of funds to carry on the work, all the Protestant churches of the city yesterday united in an effort to stimulate their parishioners to renewed interest in the work of the "boy problem."

In the First Presbyterian church, the morning lecture was delivered by Henry Keiser, manager of the book department of Bennett's store in Omaha. Mr. Keiser dwelt on the duty owed to the boy by the elders of the community. His speech was replete with the practical conclusions that come to those only who have delved into the practical side of a subject as well as in the theoretical side of a subject. Mr. Keiser pleaded for more interest on the part of the elders in the boy, his recreations, duties, companions and ideals.

The tone of the service in all the other churches was similar to that in the First Presbyterian. The needs of the local branch of the Young Men's Christian association were touched upon and contributions urged. There is a slight balance of debt on the branch for this year. The budget for next year contemplates the necessity of \$2,500 to be expended in the interest of the youth of the town. It is understood that part of the amount has already been pledged, but the directors of the branch will not assume the burdens of another year unless the whole is pledged within the next few days.

At the Young Men's Christian association building last night State Secretary G. F. Bailey addressed the meeting in the interest of the work. He was followed by General Secretary E. C. Deen of Omaha and Rev. Dr. Robert Wheeler of South Omaha.

One of the local directors of the work explained that the present campaign was more to renew the interest of the parents in the boy problem than actually to raise the money at this period. "What we are in need of," said the director, "is men who will hold themselves responsible for the amounts pledged for the work of the coming year. Our work is not confined to the boys who frequent the Young Men's Christian association building. It embraces the schools and all those who for one reason or another may not be able to contribute the regular dues of the association membership."

**Mrs. Lentz is Dead.**  
Mrs. Nellie Lentz of Thirty-sixth and the county line, died Saturday night at her residence. Mrs. Lentz was 61 years of age at the time of her death. She is survived by her husband and three children.

**Tanner at Love Feast.**  
"Doc" Tanner, defeated candidate for the democratic nomination for sheriff, and Felix McShane, his successful rival, had a love feast yesterday afternoon in Hoffman Brothers packing house at Twenty-fifth and U streets for the benefit of the faithful "sans culottes."

The gist of the meeting was an insistent urge from Tanner that the local democrats make certain of their registration papers.

F. J. McShane, T. J. Flynn and Police Judge Jim Callanan also addressed the gathering.

**Prepare for Big Show.**  
Local merchants and business men with the co-operation of the Booster club are making every preparation for the big wild west show to be pulled off on Wednesday afternoon at Twenty-fourth and Q streets.

Expert horsemen of the stock yards are being groomed for some of the stunts that make the annual gathering at Cheyenne a notable event.

Seats will be erected and guard ropes established to protect the crowd from any untoward accident at the show. The shop windows of the town are decorated with the colors of the royal Samson. Public announcement of the show will be made in Omaha on the day and the time has been set in the afternoon, so as to allow all visitors to return to Omaha in time for the electric parade.

It is calculated that many thousands will visit the Magic City during the day of the show and every effort is being used to make a good impression on their minds as to the hospital and good fellowship of the stock yards town.

**Madero is Elected Mexican Executive; Gomez is Defeated**

MEXICO CITY, Oct. 2.—Basing his belief upon information received from various parts of the republic, Francisco I. Madero, whom the people of Mexico today officially elected president, declared there was no doubt that his candidate for the vice presidency, Jose Pino Suarez of Yucatan, had been elected.

At the headquarters of the Catholic party Gabriel Fernandez Somellera, chairman of the Central committee, said he believed Francisco De la Barra had been elected vice president.

The only thing that appeared reasonably certain tonight was that Dr. Francisco Vasquez Gomez, independent candidate for the vice presidency, was snuffed under in the federal district.

"Naturally I am gratified that the people should have elected me for the presidency," said Madero, "but I am more pleased that the people have proved my assertion that they were able to hold open elections. Personally I expected no serious trouble. The passing of General Bernardo Reyes removed the last chance for disorders."

Madero announced tonight that at least one of the present cabinet, Ernesto Madero, the minister of finance, would remain. Minister Madero demurred, it is said, on the ground that it might raise the cry of nepotism, but today he consented to retain the portfolio. The portfolio of foreign relations has been offered to De la Barra, but tonight he expressed his unwillingness to accept.

**Hastings Plans for Taft Reception**

HASTINGS, Neb., Oct. 1.—(Special.)—The people of Hastings, without regard to politics, are making extensive preparations for the visit of President Taft next Monday. Mr. Taft will be the third president to visit Hastings and his visit here will be his first in the central or western part of the state.

During the three hours and a half he is scheduled to have in this city the president will be constantly before the people. Immediately on his leaving his special train he will be taken in an automobile to the chaletauqua pavilion, one of the largest buildings of its kind in the west, with a capacity for an audience of upwards of 10,000. Thirty automobiles, all uniform in kind, have been provided for the president's party and the escorting committees.

Mayor C. J. Miles will preside at the pavilion meeting. Following the address there President Taft will be taken for a ride over the city, ending at Fraternity hall at 6 o'clock, where a banquet has been arranged in his honor. President J. N. Clarke of the Taft club will preside as toastmaster, and short speeches will be made by J. P. A. Black and Dr. A. E. Turner of Hastings, W. A. Prince of Grand Island and Senator Norris Brown. The president has signified his willingness to make a few remarks in closing.

The banquet will be given by the Hastings Chamber of Commerce and will be nonpartisan.

Special train service for Taft day will be provided by all the railroads touching Hastings and immense crowds are expected. People here are looking forward to the greatest assemblage of visitors in the history of the city.

**STRIKE FIGURES UNCERTAIN**

International and District Officers Come to Direct the Strike.

**PRESIDENT MOHLER ALSO HERE**

Quiet Prevails, With no Outward Indication That a Strike is Now on Between the Men and the Railroads.

Some men who had walked out at the Union Pacific shops Saturday morning in accordance with the demand of the international returned to work Monday morning and some who had not quit at that time failed to show up, so that Union Pacific officials were not able to state just how many men were out in the Omaha shops.

So far as outside appearances went, there was nothing apparent Sunday to indicate that the lines of railroad comprising the Harriman system and the shop workers are lined up, contending for supremacy in a great industrial battle that has been called. So far as the public could see, there was not a move being made on the labor checkbook. There were no crowds of loiterers upon the streets, nor were there any public meetings held that might give an indication of what was being done.

While nothing was done publicly by either side to the controversy, a vast amount of work, was transacted by the generals who will manage and direct the fight.

Immediately after President Mohler of the Union Pacific, who arrived early from New York, had finished his breakfast at the Omaha club, where he was the guest of a large party of business men and other citizens, he hurried to Union Pacific headquarters, where during most of the day he was in consultation with company officials. At the conferences held, plans were considered and campaign outlined, but what it was, was not given any publicity.

**INTERURBAN SERVICE TO PAVILLION STARTS**

The Ralston Interurban electric line, which was installed a few years ago from South Omaha to Ralston, has been continued as far as Papillion, the first car running through on the new line Sunday afternoon.

The first car will leave Papillion at 6:30 o'clock in the morning, so people working in the packing houses or other places where they are required to be at work at 7 o'clock will get to their work on time. The last car will leave Omaha at 11:30 o'clock in the evening for the benefit of theatergoers. The fare from Omaha to Papillion is 25 cents and from Omaha to Ralston 15 cents.

**THIRTY-THIRD DEGREE MASON**

Was United States Commissioner in Omaha for Last Twenty Years and Was One of Best Known Men in the City.

Gustav A. Anderson, for the last twenty years United States commissioner in Omaha and a member of all branches of Masonry, dropped dead from heart failure this morning in the Northwestern depot at Chicago.

Mr. Anderson was a thirty-third degree Mason and a prominent member of Covert lodge No. 11. He was about 70 years of age. He is survived by a widow and two sons, who live at Twentieth and Douglas streets. When death overtook him he was enroute to Washington to attend a meeting of Scottish Rite Masons.

G. W. West, master of the consistory, will go to Chicago tonight with Charles Shook, past master of Rose Croix and eminent commander of the Knights Templar, to make arrangements for bringing the body here. No definite arrangements have been made for the funeral, but because of Mr. Anderson's Masonic connections it is probable that the funeral will be conducted with full Masonic services.

Gustav Anderson has held successively the offices of grand master of the grand council of royal and select masters, grand commander of the grand commandery of Knights Templar of Nebraska, trustee of the Nebraska Masonic home, master of Covert lodge No. 11, high priest of Bellevue chapter No. 7, president of the Masonic Temple, acting active inspector general of the Scottish Rite of Nebraska and past commander of the Mount Cavalry Commandery.
