BRIEF CITY NEWS

Have Root Print It.—Geo. H. Root, fixtures, Burgess-Granden. One, Mach. Wks. Antagonous welding.

Hertley Bound Over.—Fred Hertley, who pleaded guilty to the murder of Judge Crawford Monday morning without bonds, Hertley waived the reading of the complaint.

Taylor Gets Thirty Days.—Charles Taylor was sentenced to thirty days in jail by Judge Crawford Monday morning for cutting with intent to wound James Crystal with a razor.

Main Does Little Damage.—While the rain of Saturday and Sunday night was the heaviest of the year, but little damage was done to the streets by the public works. Monday a number of cases of slight damage were reported to the city engineer. In most cases they consisted of the sinking of the earth over sewers and a few minor washouts on streets recently graded.

Dope Field Runs Wild.—Mike Dugan, while under the influence of morphine Saturday night, created a scene in the business district by running and yelling that a mob was after him. After a long chase Dugan was arrested by Officer Bloom. When brought into police court Monday morning Dugan had not recovered from the effects of the drug and was sentenced to fifteen days in order that the dope might work out of his system.

Newspaper Men to Try Cooley.—A jury of newspaper reporters will try the case against Judge Julius S. Cooley in police court Wednesday morning on the charge of obtaining money under false pretenses. The continued case against Cooley was brought up in court Monday morning, and an attempt was made by the defendant to gain another continuance, but Judge Crawford refused to grant it. Cooley then asked for a jury as is allowed by the statutes under an act of the last legislature.

Carload of Sizz.—A solid carload of Sizz containing over 15,000 bottles, will be shipped today to a dealer in Washington, D. C. Sizz is a flavored powder which, when added to water, makes a pleasing drink. The article is manufactured in Omaha by Leo Grotte company and is attaining a worldwide sale. Mr. Grotte just returned from the east and south, bringing back some big orders. One Texas firm placed a standing order for 1500 worth of Sizz every month.

Land Company Incorporates.—Articles of incorporation have just been filed for the Shary Development company, with a paid up capital of \$100,000. John H. Shary of Omaha is president. The object of the corporation is to develop an immense co-operative farm in Texas, adjoining the farm and on the plan of that of Charles Taft, the president's brother. A town with excellent hotel building and a number of fine homes has been established near the project.

Walnut Hill Sunday School Rally.—The program given at Walnut Hill Methodist church Sunday morning was well liked by the large audience. It consisted of music and recitations. Among the musical selections played by the church orchestra was "Post and Precent." The junior classes turned out in full force and made an excellent showing. After the larger junior classes had contributed several selections the younger folks gave recitations and songs. The church was neatly and artistically decorated with flags and flowers.

HEALTHY MOTHERS

Women who bear children and remain healthy are those who prepare their systems in advance of baby's coming. Unless the mother aids nature in its pre-natal work the crisis finds her system unequal to the demands made upon it, and she is often left with weakened health or chronic ailments. No remedy is so truly a help to nature as Mother's Friend, and no expectant mother should fail to use it. It relieves the pain and discomfort caused by the strain on the ligaments, makes pliant and elastic those fibres and muscles which nature is expanding, prevents numbness of limbs, and soothes the inflammation of breast glands. The system being thus prepared by Mother's Friend dispels the fear that the crisis may not be safely met. Mother's Friend assures a speedy and complete recovery for the mother, and she is left a healthy woman to enjoy the rearing of her child. Mother's Friend is sold at drug stores. Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

CHILDREN GREET PRESIDENT

Many Cheer Taft as He Rides Through the Streets.

IS PRESENTED WITH A BOUQUET

Twenty-seven miles covered by the President in a Drive Over the Streets of the City to Fort Omaha.

Saluted and cheered by thousands, men, women, boys and girls, soldiers and civilians, President William Howard Taft toured Omaha in an automobile Monday morning from 9:15 until 10:30. The start was made from the Omaha club. Twentieth and Douglas streets, immediately after the president and his party and the local committee had finished breakfast. The tour ended at the Burlington railroad station five minutes before time scheduled for the departure of the president's special train. In the hour and a quarter occupied by the tour twenty-seven miles were covered.

While the president and his party and their hosts were still at breakfast and long before the published time for the start of the tour about 700 persons had assembled across Twentieth and Douglas streets to see Mr. Taft when he should appear on his way to his car.

At 9:15 the party hurried into the eight automobiles provided by the committee and was off.

But a few seconds were required to reach the High school, where Mr. Taft stopped for a brief address. At 9:30 the party again was on its way, speeding along the boulevard. All along the boulevard houses were modestly adorned with the national colors. Bunting was draped in windows and on porches of some; from some flags flew; hardly was there a residence which to some degree was not decorated in honor of the chief executive's passing. In doorways and on lawns were women, men too old to work and children too young to go to school. They smiled and waved handkerchiefs or flags.

Many at Lake School.

Nearly a thousand school children were assembled along the boulevard in front of Lake school, Nineteenth and Lake streets, the first school to be passed by the party. They cheered and waved flags. The automobiles went by at lowest speed. The president bowed, raised his hat and cried, "Hello, hello!" There was time for nothing more.

The automobiles whirled on through Miller park to Fort Omaha. There musicians with their bugles heralded the approach of the commander-in-chief of the army. Soldiers drawn up in perfect lines, handsome in perfectly pressed uniforms and highly polished arms, stood at attention and saluted as their leader passed. On the parade ground a squad of gunners fired a salute of thirty shots from a huge gun. Cavalrymen and artillerymen maneuvered for the president's pleasure as his car spun through the grounds. The president smiled and clapped his hands and responded to the salute with a salute to the flag.

At the Sacred Heart parochial school a huge bouquet was presented to the president. He expressed his thanks as well as he could with no time to spare.

Taft Sees His Flag.

At Twenty-ninth and Hickory streets Mr. Taft saw flying the handsome flag presented by him to the Seventh Ward Republican club as a token of his appreciation of its endorsement of him for renomination and re-election, July 17.

All along the line of the tour, women, old men and children greeted the president, waving handkerchiefs and flags. In front of every school that was passed the children and teachers were lined up outside waving flags and cheering. The cars came to low speed as they passed. In several instances children of schools not on the route were brought in bodies to the nearest point on the route and cheered Mr. Taft.

School children who greeted the president are those of Lake, Monmouth Park, Lothrop, Sacred Heart, Franklin, Saunders, Columbia Park, Windsor, Farnam, Central, Long and Saratoga schools.

The students of the University of Omaha were lined up and gave their varied well wishes as Mr. Taft rode by. He bowed and smiled to them.

Workman is Pulled from Jaws of Death

James Nelson, 822 North Twenty-third street, escaped from almost certain death at 1 o'clock this morning on the Burlington bridge at Second and Hickory streets by the timely assistance of Officer Ringelman.

Nelson, who is 35 years old, started out from his home early in the morning for his work. On the way he had to cross the trestle. He had gotten half way across when a train appeared from behind. Not having time to get across to safety he crawled down under the bridge and held to the ties while the train thundered by over his head.

Officer Ringelman saw him get down beneath the tracks and waited at the end of the bridge for him to come up. After waiting a short time he went over to where Nelson was dangling thirty-five feet above the ground and found that he could not climb up. Ringelman went for help and with the assistance of two men living close by brought Nelson up onto the bridge to safety.

Coleman is Burned While Taking Bath

A Coleman, a laborer living at 1113 North Twentieth street, was so severely scalded while taking a Russian bath that he was sent to the hospital in a critical condition. Coleman went to the bath house at 2417 Hamilton street Sunday afternoon. In taking the Russian bath the water in the bath was heated to a high temperature. Coleman dropped it the result being that he was severely scalded about the body.

HE LIES DOWN TO SLEEP ON SOFT THOROUGHFARE

Frank Griffith grew tired and he laid himself down on the soft thoroughfare at Tenth and Dodge streets. "Just a bum all tired out; throw him in the wagon," mused a big policeman who happened along. But the big policeman's deductions were wrong, entirely wrong. When searched at police headquarters Griffith was found to possess thirty-five dollar gold pieces neatly tucked away in a sack which had been secured about his neck. He will not have so much when the police judge gets through with him in the morning.

Grandmothers Used Sage Tea

To Darken the Hair and Restore Gray and Faded Hair to Its Natural Color.

It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made a "sage tea" and their dark, glossy hair long after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the wisdom of our grandmothers in using "sage tea" for their hair and are fast following suit.

The present generation has the advantage of the past in that it can get a ready-to-use preparation called Wynn's Sage and Sulphur Hair Remedy. As a scalp tonic and color restorer this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers.

This remedy is sold under guarantee that the money will be refunded if it fails to do exactly as represented.

If your hair is losing color or coming out, start using Wynn's Sage and Sulphur today, and see what a change it will make in a few days time.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.

Merriweather Will Ask for Recount

G. E. Merriweather, defeated candidate for the republican nomination for road overseer in Platte Valley precinct, announced Monday that he will contest the nomination of Oscar Talcott. The nomination was given Talcott by a vote of 25 to 23. Several votes apparently intended for Merriweather would have given him a majority if they had been counted, but the canvassing board refused to count them because his name was misspelled on the ballots and the board could not assume the voters meant their votes for him.

The board held drawings Monday for persons who had tied for nominations for minor offices. Winners are E. K. Long and Ed. McGuire, democratic justice of the peace; Omaha; Charles Witte and J. E. Quinn, democratic justice of the peace; Chicago precinct; Tom McGuire, democratic constable; Benson precinct; Bud Rissler, democratic constable; Douglas precinct; Ed. Lewis and C. Collins, democratic constables; Platte Valley precinct; P. E. Neill, democratic constable; Waterloo precinct; Clyde J. Wright, socialist supreme judge; James Urban, socialist county judge; Robert Smith, people's independent clerk of the district court; Nels A. Lundgren, people's independent sheriff.

New Skin Absorber In Great Demand

(National Drug Review)

Since the discovery that mercolized wax possesses remarkable absorbent powers, when applied to the skin, the demand for it as a complexion renewer has been tremendous. Druggists in every section report sales as far exceeding those of anything similar they have ever had on their shelves.

The mercolide in the wax, according to Prof. Hoffman, gently absorbs the dehydrated, cuticle, in minute particles, so that the user gradually loses her old, worn-out complexion, the more youthful under-skin taking its place. Cutaneous eruptions, blotches, moth patches, tan and freckles are of course removed at the same time. As mercolized wax is entirely harmless, and easy to use, women all over the country are purchasing and using it to quickly rejuvenate their complexions. The wax is applied to face, neck or hands the same as cold cream, allowed to remain over night, then washed off with warm water.—Adv.

Kitchell, Milwaukee, Wis., "What the Examiner Wants an Abstract to Show Him"; William Baird, Omaha, "Court Proceedings"; F. H. Gaines, Omaha, "Proceedings in Probate." Owing to Ak-Sar-Ben festivities there will be no program Thursday evening.

J. Fred Kerr, president of the Omaha Abstracters' association, will preside at the banquet Thursday evening, and the following responses will be made: "Rebates," J. C. Hamilton, Wahoo; "Relation of the Real Estate Business to the Abstracter," F. J. Norton, Omaha; "Ideals," L. G. Allan, Grand Island; "Is the Examiner Our Brother," Varne Hedge, Lincoln; "Little Things," L. F. Jackson, Nebraska City; "Compensation," George F. Lindley, Omaha.

GOLD WATCH FROM FRIENDS FOR 25 YEARS WITH ONE FIRM

Superintendent G. Jamieson of the Hayden store, who has been with the store since it was first opened twenty-five years ago, was presented with a gold watch and chain by his friends Saturday night after closing hours. The gift, which was presented by Charles L. Vanos, advertising manager, came as a surprise to Mr. Jamieson.

Mr. Jamieson first entered the employ of the store in Chicago in 1886 in the men's furnishing department. A year later the store was moved to Omaha, and he was promoted a few years later to buyer of the same department. In 1896 he was promoted to superintendent.

SEPTEMBER BIRTH RATE IS INCREASED BY ONE

So far as births were concerned during September of this year the population of the city shows an increase of one as compared with the corresponding month of last year. Telling You the Truth

We will have but one class of goods in our store. Goods of such grade that they require only the truth to sell them.

Salesmanship by exaggeration and false claims have no place here. We have no need for it.

We will be just as quick to tell you that a garment is not all wool as we will to tell you that it is. (However, but very few articles that are not all wool find a place with us.) If we think that a certain garment will not please you after you have worn it a while we will tell you, for we insure future as well as present satisfaction.

If we have to choose between the truth and a missed sale we will miss the sale—there is no half way ground, for we are here to please. We have built up the greatest clothing business in this western country—why, because our foundation was started on absolute truthfulness.

WE INVITE EVERY THIN MAN AND WOMAN HERE EVERY PERSON IN OMAHA AND VICINITY TO GET FAT AT OUR EXPENSE

This is an invitation that no thin man or woman can afford to ignore. We'll tell you why. We're going to give you a wonderful discovery that helps digest the foods you eat—that puts good, solid flesh on people who are thin and underweight, no matter what the cause may be—that makes brain in five hours and blood in four—that puts the red corpuscles in the blood which every thin man or woman so sadly needs. How can we do this? We will tell you. Science has discovered a remarkable concentrated treatment which increases cell growth, the very substance of which our bodies are made—a treatment that makes indigestion and other stomach troubles disappear as if by magic and makes an old dyspeptic or a sufferer from weak nerves or lack of vitality feel like a 2-year-old. This new treatment which has proved a boon to every thin person, is called SARGOL. Don't forget the name—S-A-R-G-O-L. Nothing like it has ever been produced before. It is a revelation to women who have never been able to appear stylish in anything they wore because of their thinness. It is a godsend to every man who is underweight or who is lacking in nerve force or energy. If you want a beautiful and well-rounded figure of symmetrical proportions, of which you can feel justly proud—if you want a body full of robust life and energy, write the Sargol Company, 74-K Herald Bldg., Birmingham, N. Y. Today, and we will send you, absolutely free, a 50-cent box of Sargol that will prove all we claim. Take one with every meal, and in five minutes after you take the first concentrated tablet of this precious product it will commence to unfold its virtues and it has by actual demonstration often increased the weight at the rate of one pound a day. But you say you want proof? Well, here you are. Here is the statement of those who have been convinced—and who will swear to the virtues of this marvelous preparation.

REV. GEORGE W. DAVIS says:
I have gained immensely since I took Sargol. I was 120 lbs. and now I weigh 150 lbs. I have gained 30 lbs. and what is better, I have gained the date of my birthday. It has been the turning point of my life. My health is now fine. I don't have to take any medicine at all and never want to again."

MRS. A. J. RODENHEISSER writes:
I have gained immensely since I took Sargol. I was 100 lbs. and now I weigh 125 lbs. I have gained 25 lbs. and what is better, I have gained the date of my birthday. It has been the turning point of my life. My health is now fine. I don't have to take any medicine at all and never want to again."
