## Boys' Shoes

that we guarantee to wear

These beautiful fall days bring the call of the wild to the youngster. Now is when young America goes for tramps in the woods with small rifle in hand looking for big game. The Boys may not get the game, but they wear out the shoe leather very fast—no common shoe can stand it. But we don't want to change the boy, so the shoe must be remedied—We have a shoe called.

## STEEL SHOD HOE

We absolutely guarantee them to outwear two pairs of ordinary Boys' Shoes

Boys' sizes, 2 1/2 to 5 \$2.50  
Youths' sizes, 1 to 6 \$2.25  
Little Gents' sizes, 10 to 12 1/2, at \$2.00

They cost a trifle more, but the difference in values makes them the cheapest shoe you can buy.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.
