WHY Canada refused reciprocity—because Canadians are now wonderfully prosperous—many rapidly and surely—splendid chances for investment—large values steadily advancing—millions of new wealth created yearly—cities growing unimpededly. See facts stated and predictions of William E. Curtis, America's most famous newspaper—editor of the Chicago Record-Herald and Minneapolis Journal Sept. 1909, also leading American agricultural expert, including Professor of soil fertility, University of Illinois, editor of "Nebraska Farmer," "Farmer's Review" (Chicago), "Farmstead" (Minneapolis) and other all-India. Over 100,000 copies within near future for western Canada. This conservative Liverpool corporation owns properties in 21 principal western cities representing investment of million dollars, already showing profits of \$400,000 with two years. Both city and country properties offer similar opportunities. You can share these profits—staying where you are—running no risk—investing small or large sums—your convenience. A limited number of investment units, but not a stock-selling nor speculative affair—no uncertainty—we send full particulars, maps, proofs and statistics. By our non-profit of payments plan investors have at least nine months to determine whether to complete investments or accept money back within one year, with 6 per cent interest. Over one-third of the limit has been passed in three months. Recent investments range from \$2,000 cash down to \$10 per month for ten months—none barred. Canada's largest bank handles our funds, highest commercial rating, references on file. One investor becomes a nucleus for a group. Remember this is not an ordinary prospectus; you have nine months to decide to satisfy yourself fully before you give a decision. Now don't defer, don't guess, don't delay, write us today. We are sure it will interest you. Write five that write you, interest no risk. Write to: W. E. Curtis, Portage Properties, Ltd., 641 Portage St., Portage, Wis., Wis., Canada.
