DES MOINES CAPTAIN SUSPENDED

Failure to Notify Woman of Injury to Husband and Death Cause of Inquiry—Student Goes Insane.

(From a Staff Correspondent.) DES MOINES, Ia., Oct. 9.—(Special Telegram.)—The fight of the city of Des Moines to enforce an ordinance compelling the Des Moines Gas company to sell gas at 90 cents, is to be carried to Buffalo, N. Y., where the hearing before Judge Robert Sloan will be continued. At the request of the attorneys for the company Judge McPherson of the federal court issued an order directing Judge Sloan to hold hearings at Buffalo. It was contended by the gas company that it is impossible to submit certain evidence unless the court allowed hearings to be held out of state of Des Moines.

City Physician Hallor was also reprimanded for his part in the neglect. Mrs. Peterson was not informed of the accident and knew nothing of it until seven hours after his death, and she and her friends caused investigation to be made to place the blame.

Stephenson Paid Money to Candidates for the Legislature

MILWAUKEE, Oct. 9.—Numerous candidates for the Wisconsin legislature which was to elect a United States senator received money out of the \$107,735 campaign fund of Senator Isaac Stephenson according to testimony today before the senatorial investigation committee.

Rodney Sackett, one of the Stephenson campaign managers, testified that Thomas Reynolds received several hundred dollars, Levi H. Bancroft received \$300, C. C. Wellensgard received \$250, and four others received similar amounts. The men named were all candidates for the legislature at the primaries of 1905. Reynolds, Bancroft and Wellensgard were elected, and in joint session they voted for Mr. Stephenson for the senatorship. It was declared by the witnesses, however, that the money was given to the men to promote not their own campaigns, but that of Senator Stephenson. That the giving of money to candidates for office by another candidate was a violation of the state law was the position taken by Senator George Sutherland of Utah.

Sackett declared that in some instances it was not possible for the men named to be called to testify, and in no instance were they to use the money for themselves. No promise was exacted from them that they would vote for Stephenson, he said. Under a sharp cross-examination Senator Atlee Pomerene, Sackett admitted that \$10,000 to \$15,000 out of the money named was given to persons of whose names no record was kept. It was all given out in small amounts to campaign workers, he said.

(Continued from First Page.) "One hundred and fifty to two hundred thousand to get a salary of \$7,500?" persisted Senator Pomerene. "It is not supposed that a man goes to the senate for \$7,500 alone," declared Sackett.

Band of Zapatistas Dynamite Bridge and Wreck Two Trains

MEXICO CITY, Oct. 9.—The band of Zapatistas who yesterday dynamited the "Bridge of Death" on the Inter-Oceanic railroad near Asciotlan in Puebla, held up and robbed the passenger train from Atencingo and refusing to permit the trainmen to go back and flag a freight train that was following the passenger caused a wreck in which the fireman and a train boy were killed and fifteen passengers injured.

The passengers had been lined up alongside the train and stripped of their valuables when the freight train thundered around the curve and crashed into the rear of the passenger train. There was little time to escape from the danger zone and many were struck by bits of wood and steel from the splintered coaches. Among the seriously injured were a British citizen named McLaughlin and his wife of Puebla.

The Zapatistas, nonplussed by the accident, proceeded to rob the freight and its crew. General Huerta, who had been commanding the federal pursuit of Zapata, arrived at the capital today for a conference with President de la Barra. He is one of those alleged by General Madero to be associated with General Reyes in a new revolutionary plot.

According to government advices today 1,500 Zapatistas have been routed by 200 federales under General Alberto Salazar. The fight lasted from 7 o'clock Saturday night until 8 o'clock Sunday morning. Many dead and wounded from both sides are reported.

Lillian Russel's Warning. Sore Feet; Bad Health

Lillian Russel is a physical marvel. Now in mature years, but having preserved all the fresh beauty of youth. In the Chicago Tribune she says: "Care of the feet (the hardest worked part) is absolutely essential to health. Constant irritation from sore feet often causes serious nervous disorders, and nothing brings wrinkles to the face so fast as the wear of shoes. Here is the best treatment known to science for all foot ailments. It works through the pores and removes the cause. Dissolve two tablespoonfuls of Calceolide compound in a basin of hot water. Soak the feet in this for full fifteen minutes, gently massage the soft parts. The effect is almost magical. All soreness disappears instantly. Corns and calluses can be peeled right off. It gives instant relief for bunions, aching feet, sweaty feet, chilblains and frost bites. The standard has Calceolide in stock or will quickly get it from the wholesale house. A twenty-five cent box of Calceolide is the best remedy. Don't waste money on uncertain remedies. Matter of getting what you want from the druggist."
