FARM & RANCH LAND FOR SALE

California. Strong Endorsement The Patterson farms that we are of-fering in the San Joaquin Valley are seiling to California people. Last week we made sales to men who have lived in the state for many years some of whom are seiling their land in the Los Angeles section in order to invest at Patterson. Here is what one of the in-

vestors says:

"We have just closed the purchase of 60 acres of land 1½ miles from Patterson. We came here four years ago from Coming, is., anid are very much pleased indeed with California. Would not think of going back to Iowa. Wish I had more of my lowa friends here; you can tell them for me if they come they will stay. vestors says:

we own 40 acres in southern California and are seiling it to come here to Patterson, as I believe we can better ourselves and make just as much money on 40 acres here at \$250 per acre as on the 140 acres we are seiling at \$508.

(Signed) J. H. Woodward.

Mrs. J. H. Woodward. The Other Man's Opinion If the opinion of some other man is If the opinion of some other man is worth anything we can give you a number of testimonials just an strong as the above, but we are selling this land to those who go and look at it, not like the boys trade jacknives.

Patterson has much to recommend it, it is not a pioneer proposition, it is not isolated, it is not undeveloped land, it is not dry land. On the contrary you are within less than 100 miles of San Francisco, the center of a million population; it is only 6 miles from Stockton, a flourishing city, only 85 miles from Sacramento, the capital, and only 100 miles from Fresno.

Chean Transportation Open for inspection daily from 10

Cheap Transportation The Southern Pacific railroad runs through the land and the San Josquin river is along ts border, making the cheapest transportation in the world. The water supply is abundant and conditions are ripe for marvelous development

Ask us for literature, ask for a copy of the LAND OWNER or come in and we will show you photographs that will convince you that we have here one of the best propositions in California. If you have time stop and look at our showcase on Fifteenth street, then come up and see us. Payne Investment Company, Colonization Agents, Omaha, Neb.
