**Crowley Finds New Mantle.**—Dr. Charles F. Crowley is working on the substitution of a new Walsbach mantle for the city lamps by which he expects to reduce by one-half the cost of operating the lamps. The new mantle which he is investigating is of wood fibre. Practical experiments with the wood fibre mantle have proved that it is more durable than the old style, and if Dr. Crowley can obtain the size he wants, a three-inch mantle, he expects to obtain a much greater candle power than is now being obtained in the proportion to the number of cubic feet of gas consumed.

## Bailey is Seeking Gambling Losses

Suit to recover \$400.00, which he says he lost in a gambling house conducted by Charles Woods, otherwise known as Charles Wilt, was started by John W. Bailey in county court Monday. Bailey names as co-defendant Chester and Frank Gardner and "Red" Perkins, to whom, he says, he lost the money. He alleges that the gambling house is located on the second floor of the building on the northwest corner of Thirteenth and Farnam streets, the entrance being 230 South Thirteenth street. Bailey says he lost the money while gambling on several nights between September 13 and October 2.

The roller skating season will open at the Auditorium on Wednesday night of this week, and several thousand enthusiastic young people will have an opportunity to enjoy themselves on the fine floor to the inspiring music of Green's band.

The floor of the big arena was never in finer condition. It has been partially re-laid and all cut down smooth by the use of the electric sanding machine so that it is as smooth as ice. The skates have been all overhauled and put in fine condition and the skaters will find everything ready for their comfort and enjoyment.

Judging from the hundreds of telephone calls inquiring about the opening date of skating it is safe to predict that the big arena will be filled with merry skaters on the opening night.

## Republicans Summon Democrats to Aid For Pure Election

"If you are in earnest, we'll help you to it" is the answer sent by the Republicans to Assistant County Attorney Platt in response to his talk of alleged fraudulent registration.

The document is addressed to him as chairman of the democratic committee by John L. Kennedy, chairman of the republican state committee, and Ben S. Baker, chairman of the Douglas county republican committee, and is as follows:

OMAHA, Oct. 16.—Louis J. Platt, Esq., Central Committee, Omaha—Dear Sir: We have your letter of October 13 in answer to ours of October 10 for which we thank you. It certainly appears that there is sufficient evidence at hand to justify a complete investigation of the registration in the Third ward in Omaha and to justify the most stringent measures to prevent illegal voting in that ward at the election.

You suggested in your letter that a non-partisan organization of representative men was being formed one of the objects of which would be the investigation and prevention of election frauds. We assume that you refer to the Citizens' Union, the membership of which is published in yesterday morning's papers. A fair and impartial committee appointed by that organization, would be entirely satisfactory to us, and we would be pleased to co-operate with and assist such a committee. In the meantime, while such a committee is being organized, why not set in motion the machinery in the office of the county attorney? A vigorous prosecution of the offenders, whose names are already obtained, would not only lead to their conviction, but would deter others from attempting to register fraudulently or to vote illegally on election day.—If the force in the office of the county attorney is inadequate to the task, we will join with you in requesting a grand jury, as suggested in our former communication.

Independent registration and illegal voting long continued, will undermine the very foundations of our government, and it is certainly the duty of every public official and every private citizen to do his full duty, to the end that the integrity of the ballot box may be maintained. Corruption is a curse to any community, but when it reaches down to the exercise of the elective franchise, it is crime. The effect of which cannot be calculated. We have expressed our desire to aid in any and every way in purifying politics and in preventing illegal voting. We are, very truly yours,

JOHN L. KENNEDY, Chairman Republican State Committee. BEN S. BAKER, Chairman Douglas County Republican Committee.

## Land Show Tickets in Great Demand

The popularity of the Omaha Land Show was demonstrated Friday and Saturday afternoon, when Bee patrons presented their coupons at the business office, exchanging them for tickets. The Bee had printed coupons for the purpose, and the statement that five of them, out from consecutive issues of the paper, would entitle the holders to an admission ticket and the business office experienced a perfect crash. The coupon holders swamped the clerks, but Saturday was still worse. Clerks, bookkeepers and stenographers had to be called upon to take care of the hundreds who came to claim tickets. There is another bunch of the coupons to be exchanged for tickets Monday and still another lot Tuesday. Extra help has been secured and upon these two days, the patrons of the paper will not be subjected to any delays.

## Arthur Brown Dies as Result of Shock

Arthur Brown, 42 years old, through whose left arm 5,000 volts of electricity passed a few days since while he was dusting the switchboard in the South Omaha branch of the electric light company, died in the South Omaha hospital at 210 o'clock Sunday afternoon. He leaves a wife and eleven children. Brown's arm was badly burned by the electricity that it was necessary to amputate it in the hope of saving his life. When Brown was thrown to the floor by the shock his skull was fractured. He lived at 243 South Twenty-third street, Omaha. The body was removed to Larkin's undertaking parlors and will later be taken to the residence. Funeral services will be conducted this evening at the home and the body will be taken to Julian, Neb., for burial.

## Justice Harlan Buried Tuesday

The pastor, Rev. Dr. Wallace Radcliffe, will officiate and the pallbearers will be the eight members of the United States supreme court. Burial, which will be private, will be in Rock Creek cemetery.

## No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine of known composition, not even though the dealer may thereby make a little bigger profit. Ingredients printed on wrapper.

## Harmless Way to Darken Hair. Sage and Sulphur Makes Gray Hair Vanish

Who does not know the value of sage and sulphur for keeping the hair dark, soft, glossy and in good condition? As a matter of fact, sulphur is a natural element of hair, and a deficiency of it in the hair is held by many scalp specialists to be connected with loss of color and vitality of the hair. Unquestionably there is no better remedy for hair and scalp troubles, especially premature graying, than sage and sulphur, if properly prepared. The Wyeth Chemical Company of New York put up an ideal remedy of this kind, called Wyeth's Sage

## HOMAGE PAID TO GIBBONS

Many Prelates at Ecclesiastical Celebration of Jubilee.

## NO CEREMONY MORE IMPRESSIVE

Nine of America's Twelve Archbishops in the Procession—Cardinal's Message to Garner Souls for Church.

BALTIMORE, Oct. 16.—In the cathedral here, where fifty years ago he was ordained a priest, then successively consecrated a bishop, invested with the pallium of an archbishop and twenty-five years after his ordination received the red vestments of a cardinal, James Cardinal Gibbons, archbishop of Baltimore, Sunday received homage from illustrious prelates and laymen from all parts of this country and foreign lands.

The ecclesiastical celebration of the cardinal's dual jubilee began this morning with pontifical high mass celebrated by the cardinal, with Rev. Dr. William A. Fletcher, rector of the cathedral, as deacon, and Rev. P. C. Gavan, the chancellor of the arch diocese, subdeacon. Archbishop John J. Clennon of St. Louis delivered the sermon, which was an eloquent tribute to the head of the American church.

Many Prelates Attend. In the procession, which for impressiveness never has been surpassed in this country, were nine of America's twelve archbishops and about thirty bishops. Included among the archbishops were Cardinal Gibbons, the apostolic delegate, and Paul Bruchési of Montreal. Among the bishops was Hugh Macpherson of South Africa.

There were three civilians in the line. They were W. E. Mankins of New York, who received the decoration of knight-hood in the Order of St. Gregory at the hands of the pope. The two other civilians were Aristides Leonard of Rome and Edward Du Mes of Philadelphia, both of whom wore the scarlet coats of apostolic chancellors and marched beside the apostolic delegate.

## Toast to Pope.

Following the mass dinner was served to the visiting clergy at St. Mary's seminary in response to a toast proposed for Pope Pius. Archbishop Falconio, the papal delegate, extolled the pontiff as a man of apostolic zeal, a man coming from the ranks of the people, who could fully understand their wants and direct the movements of the advancing democracy; a man of Christian courage and of stern determination, able to protect the rights of the church and religious liberty against illegitimate legislation and attacks.

The cardinal, rising at the end of the dinner, said the prejudices which formerly existed against Catholicism in this country were almost exterminated. He charged the bishops and archbishops around him with the command to garner by the end of another fifty years 100,000,000 souls for the Catholic church in this country.

## SUAREZ VICE PRESIDENT OF REPUBLIC OF MEXICO

MEXICO CITY, Oct. 16.—Lacking only the ceremonies of the inauguration, Francisco I. Madero is president of the Republic of Mexico. By a vote of the electoral college, which was practically unanimous, he was officially nominated today.

José Pino Suarez without doubt will be the vice president, if not already such. Even if he has failed to get a majority, there is now no reasonable doubt that the chamber of deputies will name him as Madero's lieutenant over Francisco De la Barra, who obtained second place in the vote of the electoral college.

Francisco Vasquez Gomez was hopelessly distanced. Madero, who one year ago was planning his revolution which began on November 20, 1910, and culminated in the overthrow of the Diaz regime, which had endured for more than thirty-five years, today manifested but a casual interest in the outcome of the election. His last opponent was eliminated when General Bernardo Reyes fled from the country.

VICTORIA, B. C., Oct. 15.—The Canadian Pacific steamer Princess Beatrice is ashore on Noble Island off the north coast of British Columbia. The passengers and crew have been taken off by the steamer Venture. ## ECZEMA CAME FROM TEETHING

Watery Fosters Dried In Scabs, Would Dig and Scratch Her Face. Used Cuticura Soap and Ointment and Was Cured.

"When my little girl was about eight months old, she was taken with a very irritating breaking-out, which came on her face, neck and back. When she first came down with it, it came in little watery-like fosters under her eyes, and on her chin, then a few days it would dry down in scaly white scabs. In the daytime she was quite worrysome and would dig and scratch her face nearly all the time."

"I consulted our physician and found she was suffering from eczema, which he said came from her teething. I used the ointment he gave me and without any relief at all. Then I wrote for a book on Cuticura, and purchased some Cuticura Soap and Ointment. I did as I found directions in the Cuticura Booklet, and when she was one year old, she was entirely cured. Now she is three years and four months, and she has never been troubled with eczema since she was cured by the Cuticura Soap and Ointment." (Signed) Mrs. Freeman Conner, 311 Lewis St., Syracuse, N. Y., May 8, 1911.

Cuticura Soap and Ointment are sold throughout the world, but to those who have tried the usual remedies and found them wanting, and who have lost faith in everything, a liberal sample of each, with 25¢ book on the skin, will be sent post-free, on application to Potter Drug & Chem. Corp., Dept. 22, Boston, Mass.

## 6,000 Subscriptions; \$5,000 for Charity! MEANS A PENSION FOR ME

NO INVALID, friendless and bedfast, can hope for a livelihood by magazine soliciting. Literally he would have to reach 40 or 50 people for EVERY order, which would NOT pay postage, leaving printing and work a COMPLETE LOSS.

Only by grace of MESSY can a friendless paralytic survive. But if, as a matter of CHARITY, the public will favor ME with their magazine order and renewals at the LOWEST published price, \$5,000 can

be earned for CHARITY, and as a matter of CHARITY the INTEREST will take care of me for LIFE and later pay a NURSE's wages or endow a hospital cot forever.

REMEMBER, 1,000 subscriptions to the Saturday Evening Post and Ladies Home Journal earned \$1,000 FOR THE BABY'S HOME two years ago.

For 1,000 subscriptions obtained last year the Curtis Co. have already deposited \$2,000 of the amount with the Conservative Savings and Loan Association, trustees.

## 6,000 Subscriptions This Year Earn \$3,000; Total for Charity, \$5,000

The Ladies Home Journal, MONTHLY, \$1.50 The Oldest Woman's Magazine.

The Saturday Evening Post, WEEKLY, \$1.50 Founded by Benjamin Franklin.

The Country Gentleman, WEEKLY, \$1.50 Oldest Agricultural Journal in the West.

Your renewals count. Every blessed order contributes 50c. Your order to all three contributes \$1.50 to the fund.

Moreover every magazine ordered from June 1, 1910 to Oct. 12, 1912, entitles you to a vote deciding what charity the \$5,000 will revert.

## I Positively Must Have 297 More Subscriptions by Oct. 26, or I Will Fail Only 10 Days Left. Please Get Them In.

For 500 hundred subscriptions to the above three magazines each month this year, the CURTIS PUBLISHING CO. will DEPOSIT a total of \$5,000 with the CONSERVATIVE SAVINGS & LOAN ASS'N. for my benefit, the PRINCIPAL TO REVERT to some CHARITY to be DECIDED by the vote of my subscribers.

## A PENSION FOR LIFE

To fail is to perish, but if your order will provide me with food and shelter for life and later pension some other unfortunate forever and still leave the principal intact, for mercy sake, why not?

## A BRUTAL ALTERNATIVE

For 11 years I have lain absolutely paralyzed from waist down, including the lower organs, having neither feeling or power of motion, yet friendless and bedfast, doomed eventually to perish through the gradual increase of septic wounds, unable even to sit erect, I must literally support myself or perish. The situation is horrifying for my senseless flesh will no longer bear my weight, yet tomorrow, were I ill or in need, I would be deserted to my fate.

To say your magazine order will earn \$5,000 for charity seems a strange appeal. The difference lies solely in the fact that whereas by grace of CHARITY I MIGHT earn \$10 a month to PERISH later, I must therefore earn \$5,000 for CHARITY, the INTEREST of which will bring me \$25 a month for life, ill or well. It is a brutal alternative to pledge my premiums to some unknown charity, for commissions do NOT pay expenses. But I cannot live ALONE, nor could I get SUFFICIENT business to PAY a woman by any other plan.

Remember, if the 500 are received for OCTOBER, my catalogue will reach 60,000 people in November, and the full \$5,000 will follow, never fail. By all means, give the POST and JOURNAL your FIRST consideration but don't forget that I want your order for ANY publication whatever. Please write for my complete catalogue and story, "A BROKEN BACK."
