You can get ten acres or more of the rich 500-acre tract that is being subdivided and sold only two miles from Falls City. This is your chance to purchase at a right price a home near a thriving city, among congenial neighbors and in the heart of the great apple country.

There is no land ANYWHERE more suitable to apples, and you will have the advice and assistance of expert apple growers to call upon. Ten acres of this land will bring wealth and certain independence. Investigate this tract before you even seriously consider purchasing elsewhere and do it at once, as the acreage is limited. Address
