## Land Show Visitors Will Find Bennetts a Place of Very Special Interest. Welcome!

### Boys' Clothes Need to be Tough and Strong

to withstand the racket the average healthy boy gives them. If you will examine our boys' suits you'll find them made of strong, tough, all wool cloths; securely sewed at the seams and stayed at every strain point. Though better than others, our boys' suits cost about the same as others. For your own satisfaction, we ask you to compare our boys' suits with any others sold anywhere at a similar price. It's comparison that proves supremacy. Stocks are at their lowest right now.

## Mr. Married Man, the Laugh is Likely on Your Wife

Some fakers have been going from house to house selling 20-yard pieces of "pure Irish linen" at from \$2.00 to \$4.00. It's every speck cotton. And selling beautiful "pure linen" damask table cloths at \$2.00 or more. They, too, are all cotton—sell in any store for \$1.00 to \$1.50. But, slowly, please—you don't know any more about goods than she does. You have let tailors and stores sell you cotton-mixed clothing at the wool price. Oh, yes, you have! We'll make a chemical test before your eyes any time—boil up a bit of your "all wool" suit. Cheating? Of course, it's cheating. But stores call it by a politer name—put it all on you, call you a fool for letting yourself be cheated. Then, some stores don't know—and wouldn't find out for worlds. Ignorance keeps them blameless, perhaps. The Bennett store simply tests the cloth it sells. The chemist's answer is the only answer. Just honest all-wool at Bennett's—at the wool price. Wool alone holds its color and good looks and shape. Remember that. Here's a sample of our pricing.
