HARMON MAN AT LINCOLN
Lieutenant Governor Nichols of Ohio Feeling State's Pulse.
DROPS IN ON W. J. BRYAN
Says Social Call at Office of Commissioner—Declares West is Talking Harmon More and More Each Day.

(From a Staff Correspondent.)
LINCOLN, Oct. 23.—(Special Telegram.)—That every progressive measure agitated in the country at the present time is either advocated by Judson Harmon or is a law on the statute books of Ohio was the message brought to Nebraska today when Lieutenant Governor Hugh S. Nichols arrived in this city for a brief conference with local men who are boosting the candidacy of the Buckeye executive for democratic nominee for president next year.

Harmon's Slogan.
Lieutenant Governor Nichols in commenting on Harmon's majority of 100,000 in Ohio said: "It was a commendation of Governor Harmon's work as an executive, nothing less. The democrats were victors in seventy-seven of the eighty counties of the state and carried every one of the congressional districts for him—a thing which had never before been done in the history of the state. His campaign slogan had been 'Promote and Perform,' and the first part was amply exemplified when he was up for election, and the latter was more than exemplified during his administration."

Coal Rates Involved.
A hearing will be held before a special examiner of the Interstate Commerce commission in the federal court room in Lincoln October 30, in which the Nebraska Railway commission is complainant against the Burlington railroad.
