PATROLMAN IS RESPONSIBLE

New Order in Des Moines He Must Keep City Clean.

REPORT ALL DISORDERLY HOUSES

Three Written Reports Must Be Filed with Department of Public Safety—Flunking Deeds Any Lumber Trust.

(From a Staff Correspondent.) DES MOINES, Oct. 24.—(Special Telegram.)—Des Moines patrolmen must hereafter report all suspicious disorderly houses on their beats to their superior officer. In an order issued the head of the department of public safety took steps to make himself, in connection with the chief, responsible for the operation or closing of all disorderly houses in the city.

According to the order, three written reports must be filed with the head of the department of public safety and the chief each month. These reports will be made by patrolmen, sergeants and captains. They will contain reports as to every suspicious house on every beat in town and will check each other, thus directly fixing the responsibility for failure to act on a report or failure to report houses.

The department has been spurred to action by the recent religious movement in the city and the appointment of a special commissioner to investigate the social evil.

Says No Lumber Trust.

C. A. Flunking of this city, who is a director in the Northwestern Lumbermen's association, which has been attacked in federal court in St. Paul as a trust, said today. He knows nothing of the case and that the board has not met in over a year.

"To me the whole thing looks like a piece of politics, brought about to curry favor near the coming of the presidential campaign."

He said "all other suits have failed flat and I have a very reason to believe this one will."

"There are more than 20,000 retailers in the country. I would like to know how they are to be organized. There is no lumber trust and there never was one."

Easy to Get Rid of Wrinkles and a Double Chin.

(Ladies' Home Magazine.)

Since it has been discovered that the old-fashioned pure thermozed jelly will absolutely drive away wrinkles, enlarged pores and all much despised double chin, there is no excuse for any woman to tolerate these disfigurements. Whether your wrinkles worry or the ravages of Father Time, you can soon rid yourself of them if you purchase an ounce and a half of thermozed jelly of your druggist and rub half a teaspoonful daily into your face.

As flabbiness, double chin, "crow's feet," blackheads, etc., result from the same cause as wrinkles, thermozed jelly is quite as effective in dispelling them. It reaches the tissues needing repair, gives them heat-energy and nourishment, and restores the muscular flesh underneath to its old-time firmness.

Certainty in Diamond Buying You who know only that some diamonds weigh a fraction of a karat and that others weigh more must realize the necessity of buying of a reliable dealer. You very likely cannot tell which of two stones placed before you is the more valuable. You do not know for which, if you were to sell the two, you could get the more money. Because of your unfamiliarity with diamonds you need to buy where you can be certain of getting the greatest value for your money. Hence the wisdom of buying diamonds at the Edholm store, where only one price is maintained for all customers.

when there is another land show in Omaha, Oregon will be on hand.

Members of the Hawaiian quintet sang "Oregon, My Oregon," composed especially for the occasion. This musical organization was followed by the Perullo Royal Italian band, after which President Charles C. Rosewater extended a welcome to the Land Show, saying that the links that bind Nebraska and Oregon were forged 119 years ago when Lewis and Clark passed through the undeveloped west, finally reaching the then unknown country "Where Rolls the Oregon." Since that day, he said the Oregon trail had been well worn and still more recently the chief executive officers of the Oregon Short Line railway had become hooked in the Union Pacific's magnificent twelve-story railroad building in Omaha. Wholesome Home Treatment for Bad Complexion. (Women's Vogue.)

The old-fashioned home remedy, pure colored balsam, does for the complexion what a brush broom does to the house. When applied at night, after the face has had a good scrub with warm water and soap, it immediately starts clearing and renovating the complexion. It squanders no time destroying all waste matter clogging the outer cuticle. Immediately the discolored and diseased skin-particles causing the various kinds of beauty ills, such as sallowness, pimples, liver spots, freckles, tan, etc., begin to "shed off" in tiny flakes like flour. This ugly skin portion drops off imperceptibly, while new, brilliant, healthy cuticle forms underneath. Just get on ounce and a half of pure colored balsam of your druggist. Very quickly your skin will become lovelier, and every day your mirror will offer you congratulations.

OUR SPECIAL OFFER So that you may know the great strength and value in TONE SPIGES we make this offer: Send us 10c and you will receive, postage prepaid, a full size package of any kind of spice you may select. We will send also a copy of our recipe book "Tom's Spicy Talks."
