GIANTS RALLY IN THE TENTH

New York Wins Sensational Uphill Game from Athletics.

SCORE TIED IN NINTH INNING

Empire Says Doyle Failed to Touch Plate in Sliding Home with Final Tally, but No Protest is Made.

NEW YORK, Oct. 25.—The Giants found their bats today, and with one game between themselves and defeat for the world's base ball championship, won by the score of 4 to 3 in the tenth inning of a sensational uphill struggle against the Philadelphia Athletics. Tonight the world's series stands: Philadelphia Athletics—Won three, last two; New York Nationals—Won two, last three.

While the Giants carried their triumph largely by hand and clean hitting, it was declared tonight by Empire Klem, the National league official who worked behind the plate during the contest, that had a timely point been taken by the Athletics on the last play of the game, when with two out Larry Doyle slid home with the final tally, the runner would have been declared out and the inning ended with the score still a tie, 3 to 2. Doyle, according to Klem, did not touch the plate in sliding in, and it needed only a protest by the visitors to nullify the run as he was supposed to have scored. The technical claim was not made, however, and the game stands as a Giant victory.

Crowd Wildly Enthusiastic. Nobody in the stands knew anything of this and the edge of the crowd's enthusiasm was not dulled by the injection of any technicalities. Indeed, if ever, there has been such a scene of excitement witnessed on the historic Polo Grounds as during the sensational and stinging rally of the Giants in the presence of a crowd of nearly 50,000 persons. Discouraged by the loss of three straight games, with their premier twirling star, Mathewson, twice beaten, their famous left-hander, Marquard, for the second time taken out of the box after a score run rap from a Philadelphia batsman and the score 2 to 1 against them, the New Yorkers swung their bats against "Iron Man" Jack Coombs' curves in the sixth inning to such effect that two tallies came over, tying the score. Then at their next time up they started in on Eddie Plank, who had relieved the Keneshuk star, and pushed another run across the plate.

Rotarians Have Big Banquet in Honor of National Officers. In honor of the visit of Paul P. Harris, the national president of the Rotary Clubs of America, and C. B. Perry, national secretary, the local Rotary club held a special meeting today in the club room of the Henshaw, together with a score of members of the Lincoln and Kansas City Rotary clubs. A banquet held the attention of the Rotarians who came early, and when the large banquet table was completely surrounded by guests, who acted in the capacity of president in the absence of Gould Diets, introduced Mayor Dahlman, who welcomed the visiting clubmen to the city.

Missouri Expects to Put Up Good Fight Against Nebraska

COLUMBIA, Mo., Oct. 25.—(Special.)—Coach Brewer says the Tigers will be 100 per cent stronger this week when they meet Nebraska than they were last Saturday. And if that is so the Cornhuskers will have to put up a mighty stiff game.

A week ago the Tigers could not put up a much better article of foot ball than the freshmen, having just lost Captain Mackey, the one man of a one-man team. But rising to the emergency, a team was scraped together that had an abundance of flint in it, a newly-developed drop kicker and a back field of as fast men as there are in the valley. Well, a last year's "M" man, who has been out of the game on account of parental objection, is back and is putting even better than last year. So that deficiency is also supplied in the Tiger lineup.

In Saturday's game at Ames the Missouri line was found invulnerable, the only touchdown being on a fluke. The two end positions were the weakest spot in the lineup, and with a week's hard practice Coach Brewer is confident of picking two men whom it will be hard for the Nebraska players to baffle. So confident are the Tiger followers of the ability of the team to beat Nebraska, that a large amount of even money has already been placed against Nebraska, no odds being asked. Captain Mackey saw the Minnesota-Nebraska game and reports that, although Nebraska has a strong, or stronger, team than it had last year, Missouri's chances of whipping them are fully as good as against Ames, as the team will be nearly twice as strong next Saturday. The Tigers, with that fighting spirit which is so characteristic of them, are coming up to Lincoln Saturday with the determination of showing the Cornhuskers the ropes.

HEAVY SALE FOR MIZZU GAME

Foot Ball Fans Planning to Take Lincoln by Storm. TEAM GOES FAST PACE Coach Stehm Induces First Eleven to Put Much Gincer in Play in Their Work with Scrubs.

LINCOLN, Oct. 25.—(Special Telegram.)—With splendid foot ball weather in store the Wednesday night practice of the Cornhuskers in preparation for the first battle for the Missouri valley championship with the Missouri Tigers was long and spirited. The scrubs toyed with the varsity line and the second team's back field tore through for long gains, finally scoring before the Missouri game the varsity line showed up in ragged form and Stiehm devoted his entire efforts to the linemen. The scrub forwards outplayed the regulars until the last few minutes of practice and held the varsity when the regulars had the ball on the scrubs' five-yard line.

Table with columns for Missouri and Nebraska players and their statistics (runs, hits, errors, etc.).

Stiehm's coaching staff was augmented Wednesday evening with the return of Tate Matters of Omaha and Stanley Collins, the big linemen. Matters and Collins spent their time with the varsity and scrub line, and will assist until the close of the preparation for the Tiger game. Racerly, the star little halfback, whom it was feared was out of practice for a few nights on account of a badly cut leg, was again on the field Wednesday night, but did not participate in the scrimmage work. His injury did not prove as serious as was first thought and he will be in shape to go in against the Tigers next Saturday. Hornburger was also out and in the scrimmage after a temporary withdrawal on account of the illness of his grandmother.

The advance sale of seats for the Missouri game has been heavy and indications point to a monster crowd at the first clash between these schools since 1886. Out-of-town delegations are sending in for seats and there will be a fairly representative crowd of alumni at the game. Stiehm will again take his players to the state farm grounds Thursday night for a last scrimmage.

School Girls' Play Nears Semi-Finals

Play in the high school girls' singles tournament is about over and if the remaining match in the semi-finals, between Lucile Peilers and Carmelita Jenkins, can be played off today, the final match for the championship will be played Friday afternoon, or Saturday, at Happy Hollow. In an exciting match in the semi-finals, Helen Johnston defeated Miss Dumont, the speedy girls' physical training director, who is managing the tournament, by the score, 61, 7-5. Lucile Peilers, last year's runner-up, is touted as the winner of the tournament but it is considered by

DEVELOPMENT LEAGUE MEETS

Prominent Western Men at Land Show Urge Co-Operation.

INTELLIGENT FARMERS NEEDED

All Agree that Concerted Effort Should Be Made to Divert the Tide of Immigration from Canada to the States.

The important event of the morning at the Land show was the meeting of the Western Development association, organized at the Omaha Land show in January, an organization for the upbuilding of the central, the inter-mountain and the Pacific west and interesting capital, manufacturers and home seekers. As members of this organization, governors, immigration agents, commercial club members, and all others who have the

interests of the great country west of the Mississippi river are eligible. Consequently when the meeting was called to order by ex-Governor Brady of Idaho the attendance was large.

J. L. FERGUSON WANTS TO KNOW OF SENATORSHIP

LINCOLN, Neb., Oct. 25.—(Special Telegram.)—Heretofore unknown to political fame and fortune, J. L. Ferguson of Broken Bow threatens to break into the senatorial arena as a candidate at next spring's primaries. What ticket the Custer county man will make the race upon is not known. The first intimation of the new aspirant for the toga came today when Governor Aldrich received a letter from Ferguson asking that he be informed as to conditions thrown around the entry list for the upper house position.

WAPPICH SAYS HOYE'S WORK IS APPRECIATED

"The democrats are trying to make out that Fred Hoyer's record as a police and fire commissioner is something he was proud of," said Commissioner Wappich Wednesday morning. "As long as I have known Hoyer as a member of the board he has always done his part of the work, and his is as clean a record as any ever made by any commissioner. The police department is too small for a city the size of Omaha, but no city in the United States can boast of such a well organized and clean department. Mr. Hoyer has accomplished much as a member of the police board and his good work is appreciated by the men in both the fire and police departments."

COMMERCIAL CONGRESS DELEGATE IN OMAHA

Arthur F. Francon of Cripple Creek, Colo., secretary of the Trans-Mississippi Commercial congress, was an Omaha visitor Wednesday. He says the coming meeting of the association at Kansas City should be one of the biggest in history. It will be attended, he said, by a large delegation from the rivers and harbors committee of congress.

PERSONAL PARAGRAPHS.

Mr. Hyman Miller, Louis Worn and H. Y. Segal left for an extended trip through California, Washington and Oregon. They are expected to return about Christmas. All three men are employed at Miller's Junk company and make this their annual vacation trip. They will be back during the week of November 27 and 28.

ALL BOOST OMAHA MEETING

Magazines Representing Wool and Sheep Industry Good Boosters.

MANY ARE TO BE ON HAND

Questions of Particular Interest to the Sheep Men Will Be Taken Up and a Strong Campaign Waged.

All the magazines of the wool and sheep industry are boosting hard for the meeting of the National Wool Growers' association and the National Sheep show in Omaha in December. The latest boost is by the American Sheep Breeder, which says: "Omaha is centrally located and will draw on the best show flocks in the east. Omaha will be 'different' expenses will be comparatively light and there is no reason why the eastern exhibitors should not make the largest mid-winter show ever held. The Omaha stockyards crowd is the liveliest bunch of buyers in the country, and they have been active in national for years and now are going to make a record. Omaha is one of the best convention towns in the country, and the citizens are going to cut the largest watermelon, and open the biggest keg of nails that ever happened at a national meeting." The magazine predicts lively doings at the convention over the three-day revival of the wool tariff and some interesting discussions over the warehouse policy of the organized sheep men. "There is some talk of a fight for Wyoming control of the convention," the article adds.

A CERTAIN CURE FOR CATARRH

The mucous membranes of the nose and throat are exposed to the irritating influence of dust, impure air, etc., and for this reason are the places Catarrh usually first manifests itself. But these are simply exciting causes, the inflammation and discharge being really produced by an impure and vitiated condition of the blood. It is well enough to use some local treatment to cleanse these membranes, but any one can readily see that if the inflammatory matter is left in the blood, such treatment cannot possibly have any permanent effect. S. S. S. cures Catarrh by cleansing the blood of all impure catarrhal matter and irritating germs and at the same time builds up the system by its fine tonic effects. When S. S. S. has purified the blood, the mucous surfaces are all nourished and made healthy. There can be no inflammation of the membranes then, because the blood is pure, and every tissue receives nourishment instead of irritating matter. Our book on Catarrh will interest every sufferer of this disease, and it will likewise give proper advice as to what is best to use as a local aid while S. S. S. is purifying the blood. This book is free to all, and we will also be glad to give any special advice you may feel you need. S. S. S. is sold at drug stores.

Pegg in Wild Chase for Potato Vender

John Grant Pegg, city weight inspector, Tuesday evening had a wild ride behind an old bay mare, chasing a potato peddler, wanted for selling his wares short weight. The peddler made his escape, but Pegg got the wogan and the potatoes. A peddler representing himself to be a farmer made a sale of seventeen bushels of potatoes to G. W. Elsasner, 1315 South Fifth street Monday night. Elsasner saw at the time that he was being cheated by the peddler and laid a trap. He asked the supposed farmer to come back Tuesday night with another load and he would buy them. Mr. Pegg was then called to the house and measured the potatoes and found about ten bushels. Elsasner and Pegg waited for the farmer to appear last night. Mr. Pegg hitched his horse in front of the house and waited. The peddler came down the street and when within a block of the house stepped Pegg's horse and buggy. He lashed his horse, and turned down Lincoln street. Pegg followed and caught up with the "farmer" at Seventh and Bancroft streets after an exciting ride. When he saw he was about to be caught he jumped from his wagon and escaped in the woods.

That New Hat

You saw, and liked so well, was undoubtedly from our new lot received a few days since. This shipment contains the best assortment of Rough and Soft Felts, English Tweeds and Derbies we've ever had.

\$3.00 to \$6.00 \$3.60 and Up for Stetsons \$4.00 for English Derbies If you'll come in tomorrow you may depend on getting just what you want.
