Clan Gordon Social and Dance-The women's auxillary of Clan Gordon have completed its plans for a social and dance to be given Thursday evening at Myrtle hall, Fifteenth and Douglas streets. Anticipation is at high point among the Scotch people of Omaha, as Mrs. Howe, a Carnegie medalist, is to sing. There will be other features on the program and refreshments will be served.

Hackney Auto Plow the One Man Outfit

This machine is the invention of L. S. Hackney, president of the Hackney Land Credit company of St. Paul. It was designed to meet the requirements of the medium sized farmer. Those who were fortunate enough to see the splendid demonstration given Tuesday in charge of M. F. Hansen of the Hackney Manufacturing company, St. Paul, were given a rare treat. They first plowed eight and three-quarters inches deep in slow speed, and on the return at a depth of seven and one-half inches in high speed. They also demonstrated the advantage of having the plows underneath, as when the plows clogged up they raised the plows and backed away from the obstruction, then went ahead Those who wish to see the machine in

New Ordinance Cause of Many Inquiries

Numerous inquiries are being received daily in the office of the city clerk and city treasurer relative to the ordinance passed October 13, providing for an occupation tax, whereby all persons, firms corporations engaged in selling hav. ice, grain, building material and fuel in less than carload lots and delivering to citizens of Omaha, should be compelled to pay an occupation tax of \$25 per year on the first day of November of each The ordinance provides for a punishment for doing business without a license, and this clause is responsible for many of the inquiries.

COMMERCIAL CLUB TO HELP ON REGISTRATION

The Commercial club has had printed 1,000 circular postcards, in reminder that Saturday is the last day that voters can register this fall, and will mail them to reach club members Friday evening.

Lancaster Men Like Sarpy Roads

(From a Staff Correspondent.) LINCOLN, Oct. M .- (Special.) -- Lancaster county commissioners, who are agitating the building of good roads in this county, aver that Sarpy county is shortly to have the best highways in this state, if not in the west. A visit was made by local men to that county yesterday. "There are two reasons for this," said one of the party today. "Surpy county

the men doing the work know their suai-The Sarpy county board recently was given charge of the expenditure of \$28,000, which came to it as inheritance tax from the Barton estate. Out of this sum the county has been able to build sixty-five miles of fine roads, all under contract. The larger part of the money has been spent on the main traveled roads from Papillion to Gretna and from Gretna to the state fisheries near South Bend and

recently got a large sum of money and

STATE HEALTH ASSOCIATION HOLDS SESSIONS IN LINCOLN

HASTINGS, Neb., Oct. 25.-(Special Telegram)-The Nebraska State Health association concluded its convention today and adjourned to hold its next meeting in York next April. City and county health authorities from throughout the state were in attendance and the meeting was devoted to consideration of means for conserving the public health. Sanitation in water supply was one of the chief topics. Prof. H. H. Waite of the state university declared that unsanitary water was responsible for the recent typhoid fever epidemic in Lincoln.

ACUTE APPENDICITIS CAUSED BY A PIN

MARSHALLTOWN, Ia., Oct. 25 .- (Special.)-A "find that has aroused an immense amount of interest in local medical circles was made public today when an ordinary pin was removed from the appendix of Mrs. A. T. Lowry, aged 54, of LeGrand. It is said that it is the first time in the experience of the physicians interested that such an article was found in the appendix. The woman was taken sick with an acute attack of appendicitis Saturday. An operation was advised and she was brought to this city today. from Papillion to Springfield and east

Beds of Service, Comfort, Cleanliness and Economy "They Ring Like a Bell"

INBALL & CHAPPELL produce the best brass beds made. Rather a strong statement, but every grain the truth. The solid brass test is the point that proves the superiority of the Kimball & Chappell quality. Tap any tube in a Kimball & Chappell brass bed with a pencil and it will ring like a bell. Tap the pillars of an imitation brass bed and you get a dull, flat response. In buying beds of square tubing you are always sure to get the solid brass tubing; no successful imitation has yet been produced. Kimball & Chappell introduced this square tubing which has become so popular. We are showing a large assortment of these honest brass beds that can be kept sweet and sanitary with little labor.

They stand up rigid and strong under strain. They have the best tubing and the right lacquer. They keep their beauty The beauty and grace placed in the beds of the eighteenth century by the master designers have been retained in

these beds. With this beauty and durability, brass beds are made so thoroughly that there is nothing which can take their place today.

When you buy a Kimball & Chappell you get the best brass bed manufactured.

Here are three specially priced brass beds for this week: Continuous Post Brass Bed-Pillars are 2-inch, filling is %-inch; 60-inch head. It has heirloom character, extreme beauty and rich quality; satin or bright finish\$17.00 Strong Brass Tubing Bed-Pillars are 2-inch with every part thoroughly made; filling is %-inch; beautiful design;

stantial beds. Madison Brass Bed-Made with 2-inch pillars; strong-

ly constructed; acme of simplicity. Averell Brass Bed-Square and round tubing used in

combination; pillars are 2-inch, excellent design.

Bromley Brass Bed-A substantial and dignified bed of seamless steel tubing. Pillars are 2 inches square, with

The Cleaner That Cleans Clean

The housewife who uses a Duntley Pneumatic cleaner has the satisfaction of knowing that she has the best it is possible to buy. It sweeps and dusts in one-quarter the time of the old way and does it ten times more effectively. It saves wear on carpets, rugs, upholstery and curtains. It takes all the dust and dirt out of each room every time it is used. Its use is the only method by which a room can be kept perfectly clean-walls, ceiling, woodwork, furniture, floor and all. Demonstrations are made for any visitor to our carpet department. The hand-power machine sells for \$45.00. The electrically operated are priced from \$75 to \$125
