Man never conceived a greater creation for displaying the beauty, richness and wonders of nature's most blessed country

The whole of the vast, gigantic west meets in the Coliseum and bursts forth with the modesty and silent splendor of the sweetest flower, spreading everywhere its beauty, its radiance, its educational message, and its unequaled bounteousness through a veritable labyrinth of the most wonderful and fascinating features and subjects.

Wyoming State Day

Added features, new souvenirs, much fruit and many attractions to make this day a special occasion, long to be remembered by all who visit the tremendous exposition

Ferullo's Famous Italian Band

Two Concerts—2:30 and 8:15

Special musical program for both afternoon and evening by the musical organization that has aroused the keenest of interest and induced people to go back to the Exposition of a Century, evening after evening. This wonderfully delightful and marvelously sweet-noted band thrills and entrances its hearers. One likes its music—and appreciates it more and more after hearing it the second and third times.
