CHICAGO, Oct. 26.—Because of three times as much wheat pressure forward to Winnipeg today, as the railroads could find cars for, the price of the cerent inclined to waver. Closings ran from last inght's level to 38935% below. Corn gamed 1675% to 38935% below. Corn gamed 1675% to 125% like.

Wheat speculators on the buil side received a joit from Winnipeg dispatches asserting that if the railroads could furnish enough moving facilities the receipts there would be 2,000 car loads a day.
