THE BEE: OMAHA, FRIDAY, OCTOBER 27, 1911.

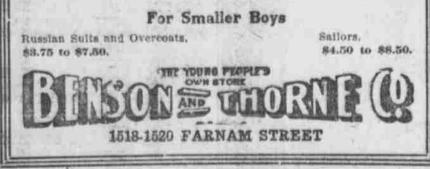

By making careful selections from the country's crackerjack tailors we are enabled to offer these special value boys' suits at \$5.00.

Long experience has proven to us that good, honestly made clothes for boys, seven years and older, can not be made to sell for less than \$5.00.

These suits are carefully tailored from good fabrics-the seams are doubly reinforced and the buttons are sewed on to stay on. They will wear longer and look better than any suit the boy ever wore at this price.

FRESHIES SCORE ON VARSITY

LINCOLN, Oct. 26-(Special Telegram. Warren Howard's place kick from the wenty-yard line with the ball directly in front of the goals saved the freshmen from a blank score Thursday evening in a regular practice game with the Corphuskers. Howard is an old Cimaha High chool man whose work on the freshmen cam has been one of the sensations of the foot ball season. Hesides scoring on a place blok, Howard broke through the varsity line for several long runs and enabled the freshmen to throw a scare into the varsity several times.
